

BARROLA HL™

High Surfactant Oil Concentrate

BARROLA HL™ is a concentrated formulation of paraffinic oil and surfactants that serve as an effective replacement for ordinary crop oil concentrates. BARROLA HL can be used at half the normal use rate of ordinary crop oil concentrates.

Product Information

Functions and Benefits:

- Replaces ordinary crop oil concentrate at half the use rate
- Delivers the performance of a premium crop oil with the safety of a surfactant
- Ideal for use with clethodim and a wide range of glyphosate tank mixes
- Lower use rates means less product to handle and store

Use Rates:

- 10 -12 oz per acre

Packaging:

- 2 x 2.5 gallons per case
- 275 gallon mini bulk
