

Harvest Moon CSA 2022

General Information

What is a CSA?

Community Supported Agriculture (CSA) programs provide consumers the opportunity to purchase fresh, local produce by providing the means to develop direct relationships with local farmers. CSAs are mutually beneficial for both parties. By paying in advance of the growing season, CSA programs support farmers by providing much-needed funds to cover the up-front costs associated with raising food. Consumers benefit by receiving a weekly box of the freshest crops possible; produce is harvested at its peak, resulting in a diverse offering of food unparalleled in freshness and nutrition. Many consumers enjoy the surprise of new and never-before tasted foods, since it is not uncommon to receive fruits and vegetables one may never have cooked or encountered before, so joining a CSA requires a bit of adventure and creativity!

Benefits for you, benefits for the Farm!

By becoming a member of the Harvest Moon CSA, you are choosing nutritious, high-quality food for you and your family. As part of our CSA, you will not only receive a weekly box of fresh, local produce, you will directly support the efforts of our farm and other local farms. Here at Harvest Moon we survey our fields on a regular basis, and hand select *the best* of what's ready to put in your box. Our crops are harvested the same day or only one day before pick up, which guarantees the freshest possible produce. Our farm manager also partners with other local farms to secure their freshest produce harvests to supplement our offerings.

What will I receive each week?

As a Harvest Moon CSA member, you will receive a weekly bounty of farm fresh produce July through October. The offerings will vary week to week, depending upon availability, so some crops will be offered more frequently than others. We send a weekly email to members listing the probable contents of the share.

What's in a Harvest Moon CSA box?

Below is chart highlighting examples of fruits and vegetables you can expect to see in your share each month. For reference, a half bushel box will contain approximately seven to nine items weekly. We may occasionally include a carton of our farm fresh eggs or even fresh pressed cider in your share, based on season and availability.

July	August	September	October
Basil	Basil	Acorn Squash	Acorn Squash
Beets	Beets	Apple Cider	Apple Cider
Bok Choy	Carrots	Apples	Apples
Carrots	Celery	Beets	Beets

Example of items in an early July, half share box: carrots, lettuce, spinach, bok choy, kale, radishes, garlic, eggs.

*Early season boxes contain more greens and as the season progresses, members can expect an increase in variety.

Harvest Moon 2022 CSA Add-On Shares

New York State Craft Beer Share

New for 2022 is our inaugural New York State Craft Beer Share! We are so excited to offer this brand new program to our CSA members this year. Each week, members will receive a four pack of 16oz cans of craft beer from one of a growing number of excellent, small operation breweries located throughout New York and the Hudson Valley Region. Some examples are Dutchess Ales of Wassaic, Barrier Brewing Co. of Oceanside, Common Roots Brewing Co. of South Glens Falls, Interboro Spirits & Ales of Brooklyn and Sloop Brewery of Fishkill to name a notable few.

Milk Share

Ronnybrook Dairy Farm provides Harvest Moon with fresh, weekly milk deliveries and we are pleased to offer a milk share program to go along with our CSA. Located in Ancramdale, New York, Ronnybrook Dairy boasts cows that are grass fed and hormone free, resulting in a very high-quality milk. Their milk is non-homogenized and is pasteurized at the lowest temperature allowed (170°), keeping it safe but at the same time, preventing over-processing.

Cheese Share

Our cheese share features cheeses that all hail from New York's Hudson Valley. Every week, members will receive a different type of cheese from one of several NYS farms, all offering a delicious assortment of soft, medium, and hard cheese textures, and crafted from cow, goat and sheep's milk. Cheeses are individually packaged and range from 4 to 8 ounces per package. Members can expect to receive one package per week.

Beef/Turkey Share

We raise Red Devon cattle and bronze breasted turkeys on our sister farm, located 60 miles upstate from Harvest Moon in Hillsdale, New York. Our cattle and turkeys are raised entirely outdoors and roam freely across 1000 acres of open pasture. Eating grass all their lives, our animals have access to a rich and bio-diverse diet that builds stronger, healthier, stress-free animals with superior immune systems. The result? Meat of unparalleled quality, taste and nutritional value. We are offering one pound packages of ground beef or turkey for the 13 and 18 week shares.

Flower Share

We offer a 12-week flower share that provides members with the opportunity to add lovely, locally grown fresh flowers to their weekly share! Each week you will receive one seasonal bouquet featuring the freshest cut stems from our good friends Luke and Jenny at Tiny Hearts Farm located in Copake, New York. From zinnias to sunflowers, snapdragons to cosmos, and everything in between, Tiny Hearts will grace your share with an exciting array of seasonal blooms over the course of the season.

Bread Share

Added in 2021, our fresh bread share has proven to be a success and will be available again this year! This share is offered to you via Bread Alone Bakery, a family-owned, values-driven organic bakery based upstate in Lake Katrine, New York. Bread Alone has been baking organic bread since 1983 and we're so pleased to be able to offer their delicious bread to our valued CSA members each week.

Harvest Moon CSA 2022 Application (Continued)

CSA Agreement

I _____ would like to participate in the Harvest Moon Farm and Orchard CSA program for the 2022 season. I understand there are both risks and rewards for each season: weather and factors beyond Harvest Moon Farm and Orchard's control may result in lighter harvests than previous harvests as well as the shortage or absence of some of the crops listed. I understand that after the first share pickup, my share is non-refundable. Completing this application does not guarantee membership, shares are given on a first-come, first-served basis.

Harvest Moon CSA Policies & Procedures

(Please initial each item)

_____ Picking up Your Share

Pick up day is every Thursday 9:00 am – 5:00 pm

Members agree to pick up their box each week at our Farm Store within the pickup time window. We guarantee freshness of boxes only during the pickup time. We are not responsible for freshness of boxes picked up after Thursday. The longest we will hold your box is until Saturday (3 days). After Saturday, freshness is compromised and your box will be donated.

_____ Vacation/Absence Policy

If you are not available to pick up your CSA box for one reason or another, you can choose to have a friend, neighbor or family member come to the store to pick up your box in your place. If your share is not picked up by Saturday, your box will be donated.

_____ Substitution Policy

We strive to provide you with both versatility and staple items each week. Please note, we do not make any substitutions and apologize for any inconvenience.

_____ Allergy Information

Please mark on your application and call to speak to the manager if you have a severe allergy concern. We will note your allergy and exclude the item from your box. There will be no substitutions.

_____ Milk Share Information

Due to the nature of the way milk is received at our farm, if a minimum quantity is not reached for your specific type of milk to fulfill an order, you will be asked to change to a different type of milk or be refunded the total amount for your milk share if you wish.
