

ENGINE COMPANY "FORE"

24th Annual GOLF TOURNAMENT

MONDAY, JUNE 16, 2025 - STONEBRIDGE COUNTRY CLUB

SPONSORSHIP FORM

DEAR FRIENDS,

On Monday, June 16, 2025, Engine Company Four of the Smithtown Fire Department will be hosting its Annual Golf Tournament, which is celebrating its 24th year. In what's expected to be another sell out year, in attendance will be a cross section of Long Island's business community, volunteer firefighters and first responder personnel. Our golf tournament has historically proven to be a low cost source of advertising for our sponsors. An excellent opportunity exists to reach these people and the companies and businesses they represent as potential new customers.

To help make this event as successful as it has been in years past, we are asking for your help by becoming a sponsor. Please see below options for various levels of sponsorship. On behalf of the volunteer firefighters of Smithtown Fire Department Engine Co. 4, we thank you for your support!
