We hired Matt as our DJ for our wedding. He was so professional and kind. From checking to make sure I stayed hydrated in the 90° weather, adapting to our schedule as we ran behind and even recommending restaurants for our upcoming honeymoon. He always kept the vibes good, knowing when to play high energy songs and when to keep it slow. His whole setup looked very classy and professional. We will be recommending him to any of our friends who are getting married anytime soon!! We appreciate you Matt!
