## VENUE UPLIGHTING

*Turn bland white walls into a masterpiece by painting with light. Use more than one color.*

**Have The Ability To Highlight the Cake Or Gift Table**

**Turn the Head Table Into Part Of The Dance Lighting**

**Match The Color Theme Of The Wedding By Painting With Light**

**Set Up Lighting At An Angle To Add Depth and Focus Points To Draw The Eyes**

**Combine Uplighting And Table Lighting**

**Don't Be Bound by One Color Choice Chose Multiple to Set Theme.**

*Uplighting is a popular lighting effect created by strategically placing lighting fixtures on the floor and pointing them up. Thus creating the effect of 'up lighting'. Uplighting is a very effective way to dramatically improve the ambience of an event space.*
