SPONSOR REQUEST LETTER

To Whom This May Concern,

We are providing this letter to request you to be a sponsor of our 2nd Annual Harmony4Hope Music Festival that will be located at Mango's Bar & Grill in Moneta, VA, to be held on Sunday, June 9th.

Harmony 4Hope Music Festival is an incredible initiative that seeks to bring people together through the universal language of music, all while raising crucial funds for lymphoma and CLL research. By uniting hearts and voices, this community-driven event aims to inspire hope and make a tangible impact in the fight against this devastating disease. Through the power of unity and support, we can bring about meaningful change and help improve the lives of those affected by lymphoma. Last year Harmony4Hope was the second highest fund raiser for the Lymphoma Research with over \$100,000 and more than 400 people in attendance. Our goal this year is to raise over \$250,000 with an even larger audience.

This event will be multi-sponsored, with an opportunity for each company to display at an exhibit table with the company logo during the event hours of 12-7 P.M. Each sponsor will be recognized during a presentation on CLL and Lymphoma by Dr. Bruce Cheson. In addition, if you agree to be a sponsor, we assure that you will get mentions through our social profiles (Facebook, Instagram), media connections, signage, and event day initiatives. We also have our website harmony4hope.com and the donation page the LRF is putting together.
