

Dear Student,

We are thrilled for your interest in advancing your vocal training! Personally, vocal lessons have been helpful in growing my own voice and establishing my style and strengths as a vocalist and now coach. Our job in being your vocal coach is to encourage you in your gifting. Our vocal program contains exercises that will expand your range and your abilities. We will teach you knowledge of the voice, such as, what happens when we sing and how to take care of your voice to maintain excellent vocal health and longevity. We will most importantly encourage you as a singer/artist/performer in helping you continue to discover your style and gifting in your voice. We will give you specific exercises on scales that will cater to advancing and strengthening your voice and we will implement those exercises to songs. We only want to water the seed that is already planted and we can't wait to have a front row seat to watching you grow and achieve your dreams and goals!

Terms and Conditions

The first monthly lesson fee must be received in advance no later than the first business day prior to the first lesson in order to secure your spot on the schedule for the remainder of the month. Automatic payments for 30 min weekly lessons is \$200.00 per month and for 60 min weekly lessons is \$320.00 per month via debit/credit card through our website, mymusicstaff.com. Payments are processed/due on the 1st of every month. If you would like to opt out of autopay, manual payments will be an additional \$20.00 making it \$220.00 per month for 30 min weekly lessons and \$340.00 for 60 min weekly lessons, via debit/credit card, due to the added cost of manually invoicing and following up on payment with the student and/or parent/guardian. Autopay means the payment goes through on the first of each month. If the card in our system does not go through on the 1st day of the month, this will not be considered autopay and \$220.00

or \$340.00 will be owed to cover the administrative cost burden that is required to collect payment at that point. It is the parent/student's responsibility that a payment card is up to date in the system via our student portal that we give everyone access to.

If you would like to personally work with Destiny, there will be a premium price of \$280 for 30 min weekly lessons per month and \$400 for 60 min weekly lessons per month.

Cancellation Policy/Make-up Credits:

In the event you need to cancel a lesson, please notify your instructor no later than 48 hours prior to the scheduled lesson in order to reschedule a makeup lesson. Please be advised, without proper notice there will be no refund and we cannot guarantee a make-up lesson due to the nature of the schedule. Make-up lessons must be made within 30 days of the initial scheduled lesson and it is the student's responsibility to schedule the makeup session. **If you wish to cancel future lessons, please notify Destiny Rayne Voice Studio at least 30 DAYS in advance from the 1st of the month.** This 30 day policy allows us time to find another student to take the slot that you have reserved. Our instructors are paid a percentage of all the revenue so the 30-day policy allows us to prevent high income volatility and, thus, give the student the best possible price with a top quality instructor. There is a late termination fee of one lessons worth.

Attendance:

Our studio calendar is set to central time zone. Since we do have a specific lesson time slot reserved for each student and have a legal obligation to pay our instructors for that reserved time slot, **payment must be made regardless of attendance.** This includes illness, vacations, etc...

Destiny Rayne Voice Studio will be on a week-long break 4 times/year. These weeks will be Easter week (Spring Break), 4th of July week, Thanksgiving week, and Christmas week. This will give each student 48 lessons/year due to the 5th lesson/month that occurs 4 times/year.

Our instructors are contracted to be paid per scheduled lesson. Students are required to attend all scheduled lessons on time. We kindly ask that you please choose a time and day that you can commit to on a regular basis each week. In the case that a student is 15 minutes late to the scheduled lesson, they will be considered absent and the instructor will not be obligated/expected to wait. If one of our instructors misses a lesson and no sub is provided, a refund for the missed lesson will be granted.

We make every effort to keep a student with the same instructor. However, by signing up, the student/parent or guardian agrees that Destiny Rayne Voice Studio has the discretion to reassign a student to one of our different qualified instructors as needed. The student may also request to switch to a different instructor for any reason and we will make every effort to accommodate the request.

Thank you,
Destiny Rayne Voice Studios

Student has read and fully understands this agreement in its entirety, and will comply with the policies stated above. Student also understands that our policies are subject to change.
