

Dr. Katherine Y. Brawn

Leadership Academy

ABOUT US:

Dr. Katherine Y. Brown Leadership Academy (KYB Leadership Academy) is a program sponsored by the non-profit organization Roberta Baines-Wheeler Pulmonary Hypertension Awareness Group.

VISION:

Our vision is to expand the leadership capacity of young adults in preparation for service to the global marketplace of the future.

MISSION:

Build the capacity for global leadership while increasing awareness of pulmonary hypertension. We are committed to educate, train, coach, and mentor with a focus on building skills that contribute to leadership development, civic engagement, and social responsibility. Our primary focus is to grow and expand the capacity of leaders to contribute to improved community life.

WHO SHOULD APPLY:

The primary objective of the program is to identify students who are currently enrolled in middle school, high school, college, and graduate school who have a desire to enhance their leadership experience. The educational components of the experience will place an emphasis on the development of key competencies that participants can use now as well as in the future; more importantly, these are the competencies that all leaders share, but for many people, they are developed relatively late in life.

PROGRAM MODULES

- Module I - Introduction to Leadership and Effective Communication
- Module II - A Commitment to Lifelong Learning / Service to the Community
- Module III - Managing Difficult Situations /
- Teamwork
- Module IV - Welcoming and Appreciating Diversity

FOUR CORE AREAS:

Leadership, Finance, Health, Government

REQUIRED SERVICE PROJECT:

Roberta Baines-Wheeler Pulmonary Hypertension Awareness Day

KYB LEADERSHIP CONFERENCE:

Local, National, and International

OPTIONS AVAILABLE:

- **SCHOOL BASED COHORT**
- **COMMUNITY BASED COHORT**
- **WEEKEND RETREAT**
- **KYB LEADERSHIP ACADEMY YEAR-LONG COHORT**

The membership fee includes service projects, mentoring, meals, training, and more.

WHY SHOULD YOU INVEST IN KYB?

KYB offers participants opportunities to use their natural abilities to hone life-long leadership skills. The newly acquired skills are fine-tuned through hands-on coaching, mentoring, and opportunities to lead locally and abroad. The Academy hosts various abroad trips for KYB Leaders to train new leaders, learn about a new land, make lifelong friends, and discover an entire world beyond what they've become accustomed to.

Are you interested in bringing KYB Leadership Academy to your community? We're partnering with teachers, coaches, mentors, and families. Contact us today.

Roberta Baines-Wheeler Pulmonary Hypertension Awareness Group

ABOUT US

RBW PH Awareness Group is a 501c3 nonprofit organization with a mission to increase awareness of pulmonary hypertension (PH) while also building healthier communities.

WHAT IS PH?

PH is abnormally high blood pressure in the lungs. Symptoms may include fatigue, shortness of breath, chest pain, fainting, dizziness, rapid heartbeat, swollen stomach, or swollen ankles and legs.

WHO TREATS PH?

Specialists who treat PH are generally cardiologists or pulmonologists. Other healthcare professionals may see people diagnosed with PH for various reasons.

#RBWPHGroup

#RBWPHAwarenessGroup

OUR SIGNATURE PROGRAMS

- RBW PH Awareness Day
