Hair Code for Young Men at Silver Lake Academy

Area	Standard	Accepted Styles	Not Permitted
Overall Appearance	Hair must be neat, clean, and well-groomed at all times	Short, controlled styles that present a tidy appearance	Unkempt, messy, or poorly maintained hair
Front / Bangs	Must stay out of the eyes	Trimmed so it does not fall into the eyes	Hair that hangs into or covers the eyes
Sides	Should not hang over the ears	Tapered, faded, or neatly shaped sides	Hair that covers or hangs over the ears
Back	Should not rest on the collar	Trimmed so it stays off the shirt collar	Hair that rests on or hangs over the collar
Length & Shape	Moderate length that remains controlled and proportionate	Short to medium-short styles that hold their shape	Excessively long styles that appear extreme or unshaped
General Style	Clean, conservative appearance consistent with a Christian school setting	Neat fades, tapers, close cuts, or controlled natural styles	Extreme, attention-drawing, or poorly maintained styles

The same standards of neatness, cleanliness, and control apply to all young men regardless of hair texture.

The Head of School reserves the right to determine whether a particular style meets these standards.
