

REGION 5 ENCOUNTER ROLLOS

THE WRITINGS OF EDUARDO BONNIN

01

The Essence & Purpose of Cursillo

The essence is the indispensable core of something. It remains constant because it does not change. The essence, the core of the Charism of Cursillo, is Jesus Christ. The purpose is the destination of the essence. The purpose is to share God's love with others.

02

Christ-Person-Friendship

The founder of Cursillo based his life on three core beliefs, which became his tripod: Christ, Person, and Friendship. These beliefs will be explained during the encounter so we, too, can live them.

03

The Faraway Person

The founder's concern was to find a method to bring the Good News of God's love, preferably, but not exclusively, to the faraway. In this rollo, we will learn who the faraway person is.

04

The Group Reunion

The founder proposed two types of Group Reunion. What are they? The Group Reunion is the axis of Postcursillo, the "cornerstone" of Cursillo. It is our Total Security for persevering in the Fourth Day. The Group Reunion is a relationship of friendship. It is for sharing what is lived from the love of God and love of neighbor.

See you in March, bring a friend!
