**“The Purpose of The United Methodist Church Is to Make Disciples of Christ
for the Transformation of the World..”**

I have worked with UMCOR for many years. I served with the Desert Southwest Conference as a missionary for Border Ministries. Part of my Job entailed distributing 10,000 UMCOR blankets and Health kits along the border every winter. In 2016 I asked UMCOR for a grant to fund a shelter in our church for Asylum seekers, To date, UMCOR has funded that shelter with \$140,000, I was also the Conference Coordinator for the Imagine No Malaria campaign. In addition, I consulted with CalPac and CalNevada in their fundraising campaigns. Many of the funds raised in the Imagine No Malaria campaign were put to use by UMCOR in Sub-Saharan Africa. The Co-author of the article below, Ashley Gish was a colleague of mine for many years. Check out her update on Imagine No Malaria.

By Crystal Caviness and Ashley Gish

Since 2010, the people of The United Methodist Church through its Imagine No Malaria initiative have focused on reducing malaria deaths in Sub-Saharan Africa. In the process, the denomination has learned that “our God is able, more than able to do more than we can ask or imagine.”

Together, we have:

Provided more than 4 million life-saving bed nets, Insecticide-treated bed nets remains the most effective way to prevent malaria. Since The United Methodist Church began its effort, which has included bed net distributions, global mortality rates have fallen by an estimated 60 percent.

Renovated 61 healthcare facilities, Improved medical clinics and hospitals in Africa result in better diagnosis, case management and access to medication.

Treated more than 2.7 million people with malaria Treatment works. Because of the global effort to fight malaria, an estimated 6.8 million deaths have been averted since 2001, according to the World Health Organization’s 2017 World Malaria Report.

Protected more than 175,000 structures with indoor residual spraying (IRS)IRS is the application of long-acting chemical insecticides to the walls and roofs of house and domestic animal shelters, a top malaria intervention recommend by the World Health Organization.

Trained thousands of community health workers and volunteers. Through education outreach, a grass-roots network has been established with health workers and volunteers who deliver and install bed nets and teach people how to properly use and care for the nets. In addition to aiding with malaria prevention, these workers often assist in other health-related capacities that serve as a vital connection for communities.

BE THE LIGHT OF PRAYER

Time for Prayer and Devotion has a new name it is Be The Light of Prayer.

I had a conversation with someone recently that was not aware of what we do. Here is what we do. We meet every week at 7pm in Heritage Chapel. We pray for all the Prayer Chains that have been sent since we last met. We pray for all of our concerns, we pray for our Church, we pray for our country, we pray for any tragedies that has happened in the last week. We pray for you. Some of us will visit people in the hospital or their homes to pray with them. We are a confidential group so the prayers don't leave the room except to be heard by God. We feel much better after we pray. I will start the prayers and all who are comfortable will pray out loud also. It is not a requirement. If you have a prayer for us email Diane McGuire di-anemcquire@gmail.com and that will go out to everyone on the Prayer Chain or email me dammannonna@yahoo.com and only Be The Light of Prayer will hear your prayer. Come and join us and feel the peace and joy of praying in group. The first time I did I was amazed at how I felt.

3 C's

Creative Christian Crafters will have items for sale on their Crafter's Table after church on April 7th,. This will be at the same time as the Children's Candy Sale. The 3 C's will have more of the adult bibs or clothing protectors as they were all out of them, plus a set of mother and 2 baby ducks made out of fabric and stuffed. Come to see what we have.

With the Lift Project coming soon, the 3 C's will be clearing some space in their craft room on the second floor to accommodate the Lift. If anyone is interested in a sewing machine, we may have a couple to deplete from our inventory, due to the changes in the craft room. Talk to Donna Hall, if interested.

Hazel, a long time member of the group, recently celebrated her 100th birthday, and continues to make the pillows for the Gathering Inn each month. Happy 100th Hazel, and thank you for all your dedication and hard work. The pillows are given out to the homeless on the 4th Sunday of the month, when the Gathering Inn meets at First Church.

We will continue to make donations from our sales to our church and our community.

Decisions regarding donations will be made at our next meeting. If anyone has a suggestion, please let us know.

We openly welcome anyone to our meetings on the 1st and 3rd Wednesdays at the church at 10 a.m. Do come by and visit. For more info contact Anne Gregory,

Donna Hall, Nancy Bray, Hazel Nofz, Dee Huston, Shelley Newton, Debbie Thompson, Barbara Hulse, Sherel Harris, Denise Lumley or Susan Reining.

Let the peace of Christ rule in your hearts always and thanks be to

God for all His many blessings.
