In response to the devastating global effects of World War II, the 1940 United Methodist Church's general Conference established a relief agency called United Methodist Committee on Relief (UMCOR). This agency was created to respond to the needs of human anguish by working globally to alleviate suffering and advance hope and healing. UMCOR is organized into programmatic areas focused on U.S and international response and recovery, sustainable development, and migration. Each area is founded on the belief that positive sustainable change is best done alongside and in support of communities. UMCOR work is managed through the General Board of Global Ministries. Did You Know UMCOR's recent work touched 425,046 lives in more than 30 countries? Did You Know UMCOR recently awarded \$31,529,971 in grants? Did You Know UMCOR volunteers stay until the work is done? Did You Know giving to UMCOR allows response for local and global relief? Did You Know 100% of your donation to UMCOR goes where you specify.

It's that time of year again.
