

The Christian Coach Toolbox Online

A Deep Foundation in Christian faith-based Coaching

Starting 9th January 2021

'And let us consider how we might spur each other on towards love and good deeds...let us encourage one another...' Hebrews 10:24-25 (NIV)

KingsCompass...

- * A UK coaching practice with a mission to equip Christians with a Christian faith based approach to Coaching and Coaching conversations.

Our Vision...

- * That Christians trained and coached by the ministry will have transformational impact in the settings they serve.

"Faith centered Coaching brings Coaching back to its roots in the Word of God. It's the genuine article—beyond 'positive thinking' and towards the blueprint for our lives."

- Would you like to explore skills that can help fellow Christians find and follow God's purposes for their lives?
- Would you like to release more of your own God given purpose and potential?
- Do you feel unsatisfied with the spiritual aspects of traditional coach training and wish to develop or refine a Christian faith centred approach?

Take your calling as a coach to a whole new level.

Ground your coaching biblically and experience what it can release in you and those you serve.

- * *Inspirational discipleship learning with Christians working in sacred and secular contexts*
- * *Unlock solutions to work and life issues in alignment with personal faith*
- * *Grow personal spiritual journey*
- * *Experience scripturally grounded, transformational learning*
- * *Enhance your calling as a Christian in professional life or service— release others into theirs.*

*"The dimension I have always felt missing from secular coaching."
"...it will profoundly change your interactions with the people you lead and serve, taking your personal effectiveness to a whole new level."*

"God's word has come alive to me, my journey as a follower of Jesus has gone to a new level and the tools have rekindled and solidified my creativity in facilitating courses and coaching. I gained so much more than I expected!"

A Deep Foundation in Christian faith-based Coaching

Aim

To equip with a scripturally rooted, explicitly Christian faith-based approach to helping others make progress with life and professional issues in alignment with their personal walk with God, as a foundation for practice in all settings

Designed For

Coaches who are Christians wishing to deepen personal authenticity whilst adding a faith based approach as new strand of practice

Christians developing a career in coaching —the programme will give you a firm foundation from which to integrate secular coaching methodologies

Those wishing to develop their coaching skills as a tool for ministry or discipleship—the programme will give you a rich array of scripturally rooted tools on which to draw

Christians wishing to grow personally in their walk with God through the exploration of the nature and impact of Christ centred Coaching

Workplace trained coaches, using coaching as a style of management or in leadership seeking to coach in greater alignment with their faith as well as develop faith referencing conversational skills

Outcomes

At the end of the programme you will have

A biblically rooted methodology ,tools and techniques from ancient as well as contemporary Christian spiritual traditions to help others find and follow God’s leading for their lives

Experience in using a scripturally grounded conversational approach to helping others move forward with life challenges and choices in alignment with their personal walk with God

A faith based lens through which to approach future development as a coach in whatever sphere of professional life and influence you operate—sacred or secular

A framework for reflective practice to guide your future development as a coach in Christ

Deepened your personal authenticity and impact for God in the settings you serve

Connection with a growing network of Christian faith based coaches releasing Christian impact—their own and that of others across all sectors

Certification as a KingsCompass Accredited Coach to validate your training, with electronic logo to badge your practice
