

# The Christian Coach Toolbox OnLine

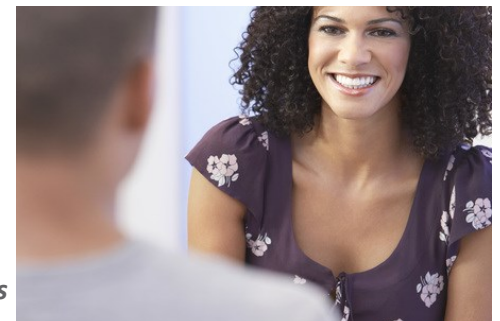

## Foundations in Christian faith based Coaching

*'And let us consider how we might spur each other on towards love and good deeds...let us encourage one another...'* Hebrews 10:24-25 (NIV)

### 12 live online sessions with co-coaching and study in between

- Would you like to explore skills that can help fellow Christians find and follow God's purposes for their lives?
- Would you like to release more of your own God given purpose and potential?
- Do you feel unsatisfied with the spiritual aspects of traditional coach training and wish to develop or refine a Christian faith centred approach?

*"...it will profoundly change your interactions with the people you lead and serve, taking your personal effectiveness to a whole new level."*

*"The dimension I have always felt missing from secular coaching."*

*"God's word has come alive to me, my journey as a follower of Jesus has gone to a new level and the tools have rekindled and solidified my creativity in facilitating courses and coaching. I gained so much more than I expected!"*

### Take your calling as a coach to a whole new level.

Ground your coaching biblically and experience what it can release in you and those you serve.

- \* **Inspirational discipleship learning with Christians working in sacred and secular contexts.**
- \* **Unlock solutions to work and life issues in alignment with personal faith.**
- \* **Grow personal spiritual journey.**
- \* **Experience scripturally grounded, transformational learning.**
- \* **Enhance your calling as a Christian in professional life or service— and release others into theirs.**

### This course is designed and taught at 2 entry levels for:

- **Qualified Coaches who are Christians wishing to develop or refine a faith based approach to practice**
- **Christians with no formal coach training interested in developing scripturally rooted coaching skills for independent practice or as a style of management and leadership**
- **Those seeking to develop coaching skills as a tool for discipleship and ministry**

### KingsCompass...

- \* A UK coaching practice with a mission to equip Christians with a Christian faith based approach to Coaching and Coaching conversations.

### Our Vision...

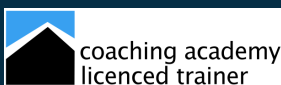

- \* That Christians trained and coached by the ministry will grow their impact and influence for God.

*"Faith centered Coaching brings Coaching back to its roots in the Word of God. It's the genuine article—beyond 'positive thinking' and towards the blueprint for our lives."*

Carole Rutherford Milligan

Founding Director

KingsCompass

*"There has been an enrichment of my secular coaching practice."*

Colin Briffa,  
Probation Service.

*"For we are God's workmanship, created in Christ Jesus to do good works, which God prepared in advance for us to do." Ephesians 2:10 (NIV)*

## Level 1 A Foundation in Christian Faith based Coaching

### Aim

Equip Christians new to coaching with a scripturally rooted, explicitly Christian faith-based approach to helping others make progress with life or work issues in alignment with their personal walk with God as a foundation for practice in all settings

### Designed for

Christians considering a career in coaching—the programme will give you a firm foundation from which to integrate secular coaching ,methodologies

Those wishing to develop coaching conversational skills as a tool for ministry or discipleship

Christians wishing to grow personally in their walk with God through the exploration of the nature and impact of Christ centred Coaching

### Outcomes

***At the end of the programme you will have***

*Experience in using a scripturally grounded conversational approach to helping others move forward with life challenges and choices in alignment with their personal walk with God*

*A faith based lens through which to approach future development as a coach in whatever sphere of professional life and influence you operate*

*Connection with a growing network of Christian faith based coaches releasing Christian impact—their own and that of others across all sectors*

## Level 2 Deepening Practice in Christian faith based Coaching

### Aim

Enable Christians who are coaches to develop or refine a scripturally grounded, explicitly Christian faith-based approach to practice

### Designed for

Coaches who are Christians wishing to deepen personal authenticity whilst adding a faith based approach as new strand of practice

Workplace trained coaches, using coaching as a style of management or in leadership seeking to coach in greater alignment with their faith as well as develop faith referencing conversational skills

Christians seeking to develop their coaching skills as a tool for discipleship and ministry

### Outcomes

*At the end of the programme you will have*

*A biblically rooted methodology ,tools and techniques from ancient as well as contemporary Christian spiritual traditions to help others find and follow God's leading for their lives*

*Deepened your personal authenticity and impact for God in whatever sphere of professional life and influence you operate—sacred or secular*

*Connection with a growing network of Christian faith based coaches releasing Christian impact—their own and that of others across all sectors*

## KingsCompass...

- \* A UK coaching practice with a mission to equip Christians with a Christian faith based approach to coaching and coaching conversations.
