

# JULY

## A Letter from the Pastor

Greetings to everyone here at Fairview United Methodist Church, and to our community beyond in the name of our Lord and Savior, Jesus Christ. I hope this letter finds you well and enjoying these long, sun-soaked days of summer. I know July can bring its fair share of heat, so I pray you are staying cool, staying safe, and finding moments to rest and savor the season—whether it's an evening walk, a quiet morning with a good book, or just a chance to slow down a bit in the midst of life's busy rhythms.

Summer has always reminded me of the goodness of God's creation. The trees are full, the gardens are blooming, and there's something about the vibrant colors of fresh fruits and vegetables that makes me think of God's abundant provision. It's a season that invites us to rejoice in the simple gifts—the warmth of the sun, the blessing of community, and the fresh produce that nourishes our bodies.

Speaking of that, I want to take a moment to share some exciting news about our food pantry ministry. This past month, we were connected to a wonderful new partner: **Treadway Gardens in Centerville**. I want to personally thank **Tonya Ivory from Kids Institute** for referring us to them. Tanya's connection made this new partnership possible, and I'm deeply grateful for her heart for our community.

I also want to express our sincere thanks to **Stephanie Treadway** and the team at Treadway Gardens for their generosity and kindness. They have graciously begun donating fresh fruits and vegetables to support our pantry ministry. This is a huge blessing! As many of you know, fresh produce is often one of the hardest things to come by in pantry donations, and this partnership is already helping us provide more nutritious options for our neighbors.

Treadway Gardens is just about five minutes from my house in Centerville, and I've started making a weekly trip there each **Wednesday at noon** to pick up the donations. It's a joy to see the abundance they are willing to share. The timing couldn't be better, as our pantry opens on Wednesday nights, which means the produce goes from the farm to our shelves on the very same day!

This partnership is such a beautiful reminder that when we come together—neighbors, ministries, and local businesses—we can be the hands and feet of Jesus in real, tangible ways. God is providing, and He's using all of us in the process.

Also, I'm thrilled to share that we are welcoming **Nancy Collins**, our new organist and church accompanist, this month! We are so grateful to have her join our church family, and we are excited for the gifts she will bring to our worship life together. Please take a moment to read her bio included in this newsletter, and be sure to give her a warm and joyful welcome when you see her.

Thank you for your continued prayers and your faithful service. Let's keep looking for ways to love our community well this summer.

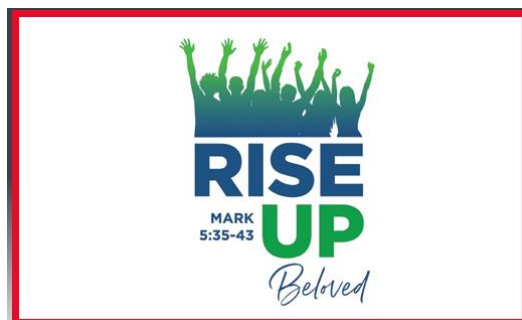

Grace and peace,  
Rev. E. Neil Gaiser

*Welcome*

Nancy Collins began her musical organ career by becoming the organist at her local church at age 13. At the age of 16, she became organist/choir director at the First Baptist Church in Lynn, MA, and has continued her lifetime in the service of God through musical expression. Over the years, she has led many choirs and congregations in worship to the glory of God. She has a B.Mus. degree in Organ Performance from Andrews University where she studied with Dr. Warren Becker.

Nancy married her husband Don, who is a Baritone Soloist and choral director (currently at St. James Methodist Church in Miamisburg, OH) and they enjoy continuing their musical ministry together. They are moving here from Raleigh, NC. Nancy is truly delighted to play such a fine organ and to become part of the church family at Fairview United Methodist Church.

## UNITED WOMEN IN FAITH BOOK REVIEW

**Title:** *A Right Worthy Woman*  
**Author:** Ruth P. Watson  
**Reviewer:** Judy Gebhart

This novel is based on the remarkable true story of Maggie Lena Walker who was the first Black woman to establish and preside over a bank in the United States. She was a determined woman who against the odds in the era of the Jim Crow South managed to unite her community in building successful Black-owned businesses and services. Her story is inspiring to all who read the book.

### UNITED WOMEN IN FAITH AWARD KATHY AND ED FARMER SPECIAL MISSION RECOGNITION

On Sunday, June 15, 2025, the United Women in Faith recognized the leadership of Kathy Farmer and Ed Farmer with a Special Mission Recognition Award. Cecelia Long presented a Certificate to them and noted some of the ways they served as lay members of Fairview. A monetary contribution to support missions that serve women, children and youth was sent to the National Office of United Women in Faith. Pastor Neil offered a prayer of blessing for Kathy and Ed as they were attending Fairview for the last time before moving to Costa Rica.

Cecelia Long recently contacted Kathy and Ed to learn if they had arrived safely in Costa Rica. They did arrive safely. Anyone who wishes to be in touch with the Farmers may call them without any extra phone charges. The number to call is 937/837-0069, which was the Farmers' home number when they lived in Trotwood. The number continues to be their contact number in Costa Rica.

## RECYCLE USED TENNIS SHOES TO HELP WESLEY EDUCATION CENTER FOR CHILDREN AND FAMILIES

The Great Miami District United Women in Faith supports the Wesley Education Center for Children and Families in Cincinnati. Pam Hounshell and Cecelia Long learned that The Wesley Education Center's mission is to educate, strengthen and nurture children through creating a loving and safe environment for them while building a foundation for learning.

The Wesley Director, Carla Butler, invited us to help raise money for Wesley by doing something very simple----

### RECYCLE USED TENNIS SHOES!!

**YOU** are invited to help the Fairview United Women in Faith collect used tennis shoes to send to a recycle location that only recycles tennis shoes. For each pair of used tennis shoes that is donated, the Wesley Education Center will receive more than one \$ per pair! **Thus far, Fairview members have filled one bag of tennis shoes!! We have several more bags to fill since Fairview members and friends have said they will bring their old tennis shoes to recycle!!**

**Please bring your USED TENNIS SHOES or GYM SHOES,** no matter what condition, size, shape or color to Fairview Church and put them in the bag that will be used to ship them to the Recycle location. The recycle bag will be in the Welcome Center **on Sunday mornings and in the library during the week.** When the bag is full it will be taken to a UPS location. Any questions may be directed to Pam Hounshell 937/219-5377 or Cecelia Long 937/972-7045. Help Wesley to continue to nurture pre-school children.

## PANTRY NEWS

### Feeding Our Neighbors This Summer.

As July brings the heat of summer, many of us look forward to vacations, cookouts, and time with loved ones. But for some in our community, summer can be a season of increased hardship. Children who rely on school meals are home for the summer, and families on tight budgets face extra pressure to make ends meet.

That's where our Food Pantry steps in—providing essential groceries and a message of hope to those in need. Each week, we serve individuals and families with dignity, compassion, and the love of Christ. Thanks to your generous donations and volunteer support, we continue to meet rising needs even during these summer months.

Together, we are living out our faith and making a difference—one meal at a time.

**"If you offer your food to the hungry and satisfy the needs of the afflicted, then your light shall rise in the darkness..." – Isaiah 58:10**

### BAGS FOR PANTRY

We have new recyclable bags for our pantry guests. Thanks to a Green Go Grant from the West Ohio Conference, we were able to purchase these bags which we are asking our guests to bring back for us to fill them again.

Speaking of bags, we are completely out of plastic grocery bags. Please continue to bring them in no matter how many you have.

## GRADUATE!

ADDITIONAL  
ACKNOWLEDGMENT

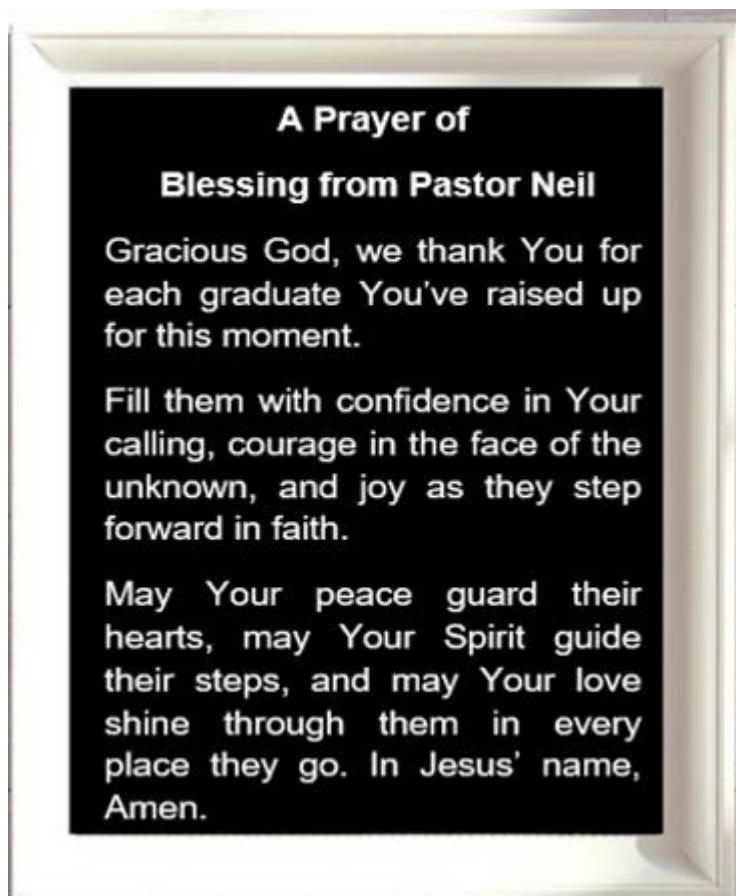

**GLENNA RAPP**, daughter of David Rapp and granddaughter of Ed Rapp, graduated from Oregon State University on Friday, June 13, 2025. She earned her degree in Environmental Sciences with a minor in Spanish. Mary will continue her studies at Oregon State, pursuing Master's in teaching. Her ultimate goal is to teach at the collegiate level.

### A SPECIAL BLESSING AND PRAYER FOR OUR GRADUATE

*Reprinted from June Columns*

We celebrate **Glenna Rapp** during this exciting season of accomplishment and transition. Your hard work, perseverance, and faith have brought you to this meaningful milestone. As a church family, we are proud of you and grateful to God for the journey He's taken you on so far. Whether you're stepping into further studies, a new career, or an unknown next chapter, know that God goes before you and walks beside you.

May you carry with you not only the knowledge you've gained, but the wisdom, character, and faith that will sustain you through every challenge and opportunity ahead. We believe God has great plans for you—plans to bless others through your life, your gifts, and your example.

## KID'S INSTITUTE

The Kid's Institute has just completed their first month of summer break! As a third grader said Thursday as we were wrapping up, "WHAT A WEIRD MONTH". No truer words spoken! It was SO cold when summer started that we wore coats and sweaters...we had hot chocolate parties, and nobody felt like it was summer. We tried our hardest to keep our transplants alive and could not sow seeds in the ground safely until two weeks ago...

On the Administrative side, no one got out of school at the same time and the State funding delayed as some of our summer starts still have not been approved. But we are a resilient gang, and we still had an amazing MONTH! We ate our first make and take, HAIRY HOT DOGS!

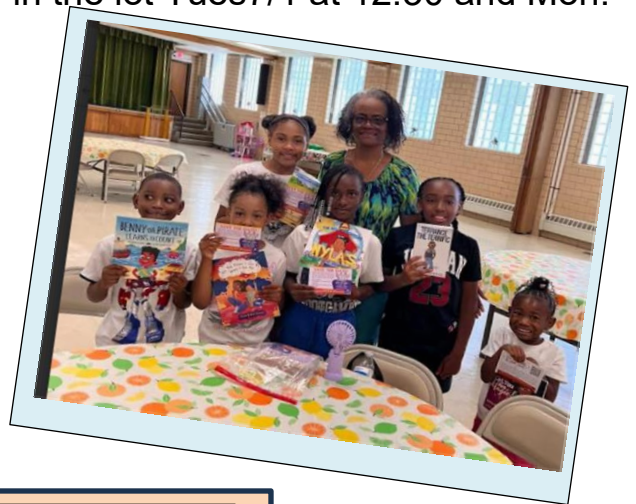

Karate returned, weekly music, mindfulness classes and we now have the BOOKMOBILE coming too!

We have a summer enrichment series called READ WITH ME, and we invite you to share with us. Have 30 minutes this summer, and want to come read to a select group of students? WE WOULD LOVE TO HAVE YOU! Just let Dr. Ryan know at the front desk, and we will schedule you. Pastor Neil and Author Valerie Lewis Coleman were our featured guest for June!

As we end our first month with record high temperatures, we spent the first day in a pool all day, we go out to play early in the mornings to beat the heat and yes, FINALLY the garden has been planted!

Enjoy the Bookmobile with us too. It is scheduled in the lot Tues 7/1 at 12:30 and Mon. 7/14 at same time! Come and participate!

Happy Summer  
Mrs. Ivory

helping people

On the first Sunday of every month, we at Fairview United Methodist Church celebrate communion, sharing in the body and blood of Christ through symbolic amounts of bread and the fruit of the vine. We would like to expand this sharing into the world around us by asking you to bring a loaf (or two!) of bread to church on Communion Sundays, to be distributed through our very busy food pantry. When you are shopping for your own groceries, please buy an extra loaf of bread and bring it with you on **July 6, 2025**. We would like to make the first Sunday of every month a John 21:15-17 occasion!
