Our President's Voice: December 2021- Julie Fishman

As December arrives, I am still trying to decide if I should be saddened that another year is drawing to a close, or that I should be relieved that a 2nd Covid year is behind us. With this coming of a new year, comes the ever-present promise of hope - that maybe, JUST MAYBE, we can put this behind us in the months ahead.

I honestly have more hope for Covid relief, than I do for our adversary party - the Republicans, coming to their senses any time soon.

That being the case, it is more important than ever to work ever-so-hard in 2022 to insure that we elect Democrats at every turn, locally, statewide, and nationally. We will elect a new US Congressperson in January, a few State Senators and Reps as well. Some judgeships will be decided as well. Next summer we will elect nominees for the Florida Governorship and one US Senatorial seat, with final elections in November 2022. Redistricting across the state remain a hot, hot button in Florida, as well as in many red and purple states, across our nation. YOUR VOICE and YOUR VOTE are so important today and in the new year! Please ask us what you can do to help the process. We can not simply leave this effort to our children and grandchildren. We need to lead by example. YOU need to join in with us by being better informed and more active. The Democratic Club will be doing strategic planning in January, so that we as a club, can take a more proactive stance, via phone call, letter, and email campaigns to help Democratic candidates and Democratic values/platform issues. We are looking to involve ourselves in Broward County rallies. We are looking to get you out in your neighborhoods, canvassing with us and with other local clubs.

Lets start committing to our 2022 Resolutions today! (Get a head start!)

Regardless what religion you are, and how you choose to celebrate the season, I sincerely wish to each of you, as well as for all your loved ones, my very greatest hopes for blessings, with much love, joy, & great health, during this special holiday season, the new year, and always.

Julie

Does Your Vote Really Matter? (Mine does!)

How many times have you, family, friends, or co-workers said, "Why bother? It's not like my one little vote can make a difference."

American political history does have scores of documented instances of elections swaying one way or the other on a handful of votes... or hanging chads! Just this past month a National Congressional seat from our own Florida District 20 was decided by 5 votes (pending final certification and/or of course any potential court challenge to specified ballots.) As of my writing of this article, Sheila Cherfilus McCormick is a presumed winner, besting Dale Holness by the slimmest of margins - a vote differential that can be counted on a single hand, just several fingers.

I'd like to share a story from 30+ years ago, in my hometown of Haverhill, Massachusetts, where my wife, Donna and I made the deciding votes in Haverhill's 1989, City Council race. There were 9 City Council positions up for grabs, with 18 candidates vying for election votes.

One of the candidates, Stanley Colten (now deceased) was a newcomer to our city in the past couple of years, and this was his first foray into local politics. He was an intriguing candidate for a couple of reasons. One, was that he was a new to the city and didn't have any local ties and presumably no "baggage," and no one to whom he owed favors. Not being part of the old townie network was an appealing attribute. Secondly, was his occupation. He was a Private Investigator... a kinda sexy way to make a living - after my years of watching Mannix, Magnum P.I., Rockford File, Jessica Fletcher, Remington Steele, etc., etc. He was getting my vote for sure!!!

UNTIL - In a campaign-boosting plan, Mr. Stan Colten appeared before the current City Council to get his name out there by hyping a previously, seldom heard-of proposal about confiscating assets from arrested drug dealers. With him was an attorney, he claimed as a good friend - from outside our city who would give the legal point of view on Stan's proposal. Here's where the trouble began (for Donna and me). I had once worked for this attorney, who represented creditors, against individual and corporate debtors. During my tenure at his company, my wife at the youthful age of 27, suffered a REALLY major heart attack, 5 days post-partum. During the first hours of Donna's event (for which she then spent WEEKS in local and Boston hospitals), this attorney was conferring with one of my colleagues, who was rather despondent about Donna's current and dire medical issue. The attorney in trying to be funny, clever, or perhaps pragmatic, - callously and very stupidly exclaimed, "Hey, Bob - You know, You can't jump into the grave with Donna Grosky!" (Yes, my esteemed, moronic employer actually said that about a heart attack victim - my wife.)

[HAVERHILL, MASSACHUSETTS](#)

[CITY COUNCIL RACE 1989](#)

Well... That did it! I not only left the company shortly thereafter, but “blasted” the loser-lawyer, with my verbal best (or perhaps, worst) with 1 or 10 curse words, for his “far beyond insensitive” remarks/ attitude. It was almost ten years later, that I was next seeing this loathsome attorney, - at Haverhill City Hall, at the dais of our City Council meeting, flanked by his good friend, and Council candidate, one Stanley Colten. Needless to say, Mr Colten did not get Donna’s or my votes.

It was a close election and the 9th and final spot was won election night, by Coltin, by a few votes (3 or 4 as I recall). After both machine and hand counting, and court challenges to a few ballots, the recount total was declared final and certified, as per protocol. It was a ONE VOTE MARGIN! Incumbent Marjorie Goodreault DEFEATED challenger, Stan Colten by the count of ONE SINGLE VOTE, for the ninth and final spot on the Council. Oops... Sorry Stan!!!

I claim it as an election, that we (Donna and I) made the election result difference. Had it not been for Colten’s tie to the descipable attorney, we absolutely would have voted for Colten and our two votes would have elected him. I honestly do not think we voted for Ms Goodreault, but two more Colten votes would have been enough to make that difference, for him to win - 9th place & a seat on the council, rather than finishing in 10th - just out of the money!

I do like to think that truth, justice, & the American way prevailed that November 1989 day. It was certainly a life-long lesson to me on the absolute value that has to be placed not only on each individual citizen’s vote, but also on the absolute importance of our obligation to exercise that right to vote. **VOTE! - IT’S YOUR RIGHT! - IT’S YOUR RESPONSIBILITY!**

Please, please, PLEASE... Make sure you vote,
in our 20th Florida Congressional District
FINAL ELECTION
on Tuesday, January 11, 2022.
Let’s make sure Alcee is succeeded by
a really good Florida Democrat!

I'M DREAMING OF A BLUE FLORIDA

(To the tune of "I'm Dreaming of a White Christmas") - words by Geoff Grosky

I'm dreaming of a BLUE FLORIDA,
Just like the ones I always knew.
Where "Red Gov'nor Ron,"
Is defeated... and gone,
And the Governor's mansion turns FLORIDA BLUE.

I'm dreaming of a BLUE FLORIDA
With every ballot that is cast.
May Senator Rubio, the lemon,
Be replaced by Val Demings,
And may Marco's memory be a bad dream of our past.

I'm dreaming of a BLUE FLORIDA,
Without the DeSantis lies and greed.
Where Broward and Dade stay blue,
Joined by Monroe, Collier, and Lee counties too
And our state wins big with Crist or Fried.

I'm Dreaming of the BLUE FLORIDA,
With all my heart and soul, each day.
May the Democrat donkey loudly bray,
And may Kings Point Democrats lead the way.
And may Kings Point Democrats lead the way.
AND MAY KINGS POINT DEMOCRATS LEAD THE WAY!

BROWARD COUNTY COMMISSION OCTOBER 2021 NOTES

Michael Udine - City Commissioner, Mayor , Broward County

In November, I was honored to be sworn in as Broward County Mayor. I look forward to serving as both County Mayor and Commissioner for District 3 moving Broward in a positive direction for all residents. My priorities include supporting job creation in diverse industries, protecting our environment, making sure resources are allocated to increase public safety, and working toward a Broward County that is a model for the nation.

Broward County hosted the 6th Annual Florida International Trade and Cultural Expo (FITCE) at the Broward County Convention Center in November. Representatives from over 60 countries and over 2,000 attendees were there to learn about international business opportunities that are available for local businesses. Broward is open for business and ready to connect with the world!

Broward County's Cultural Division will be hosting workshops on December 7th for local artisans to learn how to apply for the brand-new Artist Support Grant Program! Grants provide direct funding to local artists. To learn more and register please visit Broward.org/Arts. The deadline to apply is December 17th.

Looking for a forever furry friend? Broward County Animal Care and Adoption will be joining the City of Tamarac at the Annual Paws and Claus event on December 11 from 10 AM-12 PM at the Gary B Jones Park for People and Pups. If you are ready for the responsibility of a new family member, then come check out this great event. If you can't make it, please visit broward.org/Animal to find the perfect pet for your family!

The holiday season is in full swing, and I am looking forward to celebrating with family, friends, and neighbors from near and far. From making holiday crafts at the library, seeing the light show at Tradewinds Park, and parades and tree and menorah lightings throughout the community, this December will be very special. As we are in the season of giving let us remember those in our community who may be experiencing hardship by doing whatever we can to help and bring holiday cheer. From my family to yours, I wish you and your loved ones a Merry Christmas, Happy Hannukah, Happy Kwanzaa, and a wonderful New Year! Here's to 2022!

The top priority for my staff and I is staying connected with the residents of District 3. We are available by phone, email, and social media. Reach me at MUdine@Broward.org or at my office at (954) 357-7003. Follow on social media @CommissionerMichaelUdine on Facebook and @MichaelUdine on Twitter or Instagram to receive important updates and see what is happening in our community. Let's connect!

Sincerely, *Michael Udine,*

Mayor, Broward County, County Commissioner

Editor's Note: As always, Thank you Vice Mayor Udine - for your informative monthly letters to our membership, as well as for your continued support of our Democratic Club, here at Kings Point in Tamarac.
IT'S MUCH APPRECIATED!

Dear Kings Point Democratic Club,

Deployed Military Exemption

US military personnel deployed overseas on specified military operations may be entitled to an additional tax-saving exemption. These qualifying military operations are updated by the Florida Legislature annually, so the ones listed below may not be all encompassing as some operations may be added or removed in future years. Our office does accept pre-filing for upcoming tax year(s) depending on the dates included on the applicant's military orders. The application permits a spouse, personal representative or designee under Chapter 709, Florida Statutes, to apply on behalf of the qualifying applicant.

The application for the Deployed Military Exemption can be submitted online at <https://web.bcpa.net/bcpaclient/#/VeteransDeployed> and can also be found in the "Download Forms" section of our website at <https://web.bcpa.net> and emailed to CSEmgmt@bcpa.net

To apply for this exemption, an applicant must provide US military documentation which clearly shows the applicant's dates of active duty military service deployed outside the United States during the immediate prior year in support of one of the designated military operations: Operation Noble Eagle, Operation Joint Task Force Bravo, Operation Joint Guardian, Operations in the Balkans, Operation Nomad Shadow, Operation U.S. Airstrikes Al Qaeda in Somalia, Operation Copper Dune, Operation Georgia Deployment Program, Operation Spartan Shield, Operation Observant Compass, Operation Inherent Resolve, Operation Atlantic Resolve, Operation Freedom's Sentinel, Operation Resolute Support, Operation Juniper Shield, Operation Pacific Eagle and Operation Martillo or in support of a subordinate operation to any of the preceding. This exemption grants total exemption to an additional percentage of your assessed value, based upon the percent of the prior year you were deployed overseas in support of one of the specified military operations and requires the applicant to submit new supporting documentation each year,
