Choose your Clover Payment Solution

At the counter, at the table, in line, on the go or online, Clover offers the hardware you need to get the results you want.

Customize the system you need:
All Clover devices can be integrated to create one complete payment experience. Register Lite and Register plans also support adding a customer-facing device such as the Clover Mini.

Clover Station
Our most powerful, productive countertop POS system with two printer options.

Clover Mini
Simple payment processing, full-featured POS or customer-facing device.

Clover Flex
Full-featured POS flexibility to take payments at the counter, in line or on the go.

Clover Go
The wireless, go-anywhere card reader for contactless, NFC, chip, and swipe.
