## Beginners level 1 training

This nail class is perfect for beginners because it offers step-by-step, hands-on training in a supportive, small-group setting. You'll learn directly from experienced nail technicians who simplify complex techniques, making it easy to build confidence and skill from day one. Whether you want to start a career or just explore your passion, this class gives you the practical foundation, personal attention, and a certification to kickstart your journey in the nail industry.

## Professional Training

Our professional nail training is designed to equip you with industry-standard techniques and real-world skills. You'll receive comprehensive, practical instruction covering nail preparation, application, shaping, polishing. The training focuses on hands-on practice, hygiene standards, client handling, and professional tools to prepare you for salon work or independent services. By the end of the course, you'll have the confidence and expertise to start offering professional-quality nail services.

## Why You Choose Us?

- Certified Trainers with industry experience
- Small Batch Sizes for individual attention
