Innovation Partners

A Sematech for Autonomy and AI at the edge. Autonomy Institute is accelerating the “Path to Commerce” for intelligent and autonomous systems.

Wireless Broadband Alliance (WBA) is the global organization that connects people with the latest Wi-Fi initiatives.

Telecom Infra Project (TIP) is a worldwide community of leading organizations collaborating to transform the way telecom infrastructure is developed and deployed.

Community Partners

The Unity Council is a non-profit community development organization dedicated to promoting social equity and improving the quality of life for diverse communities in Oakland and the Greater East Bay. Since 1964

CEDC creates economic development. They are leaders in property technology, envision and develop communities, and have been building communities since 1994.

The Black Cultural Zone (BCZ) drives a vibrant renaissance in legacy Black communities by unapologetically centering Black arts, culture, and economics. Defined by Place, Partners, and Purpose, we serve all current and Legacy Residents who live/lived, work/worked, and create/created in this community.
