Principal: Mr Leon Leonidas

Dear parent/guardian,

Preston South Primary School is looking forward to another great year of teaching and learning and would like to advise you of Preston South Primary School's voluntary financial contributions for 2025.

Schools provide students with free instruction to fulfil the standard Victorian Curriculum and we want to assure you that all contributions are voluntary. Nevertheless, the ongoing support of our families ensures that our school can offer the best possible education and support for our students. We want to thank you for all your support, whether that's through fundraising or volunteering your time. This has made a huge difference to our school and the programs we can offer.

Within our school this support has allowed us to offer a wider selection of subjects and special curriculum experiences, such as the Science Program, as well as enhanced digital learning opportunities and equipment for each student.

For further information on the Department's Parent Payments Policy please see a one-page overview attached.

Yours sincerely,

Mr Leon Leonidas

Principal

Refunds

Refunds will be worked out on a case by case basis at the local school level and the school will use discretion to provide refunds to families and will do so where it is reasonable and fair (for example, if the school has not incurred a cost).

If the school has incurred costs, we will act reasonably and take into consideration the *Financial Help for Families Policy* and relevant arrangements, including support for families experiencing hardship. For example, the school may consider refunding families for unavoidable event cancellations if a family experiences a crisis or sudden serious illness and the student can no longer attend the event.

If the school decides to provide a refund, then parents/carers need to agree and advise the school where the refund should be paid. If that agreement cannot be reached, the refund is usually paid into the account from which the money came. Where the payment was made in cash, the school will wait until the parents/carers reach an agreement and advise the school.
