# LETTER FROM COMMODORE BRIAN RANDALL

Greetings WCYC Family,

I want to start off by thanking everyone for their participation at the Commodore's Dinner. What a night! A great time was had by all. Lots of laughter, lots of stories and as always plenty of food and drink! Thank you, to Mark Babcock, for arranging the venue, and for Vicky Eansor and her help in providing the Ship's Store. We managed to sell a whole bunch of swag!

It was such a nice night, and I am grateful to have been able to be your Commodore for this past year. The success of the club could not have been possible without the volunteers that made it happen. A big thank you to the Board for supporting the direction that the club went this year, and a big thanks to those of you who volunteered in many capacities within the club, whether it was Captaining a cruise, Co- Captaining a cruise, selling Raffle tickets, participating in a cruise, volunteering your time during a cruise or dinner, etc. your help and assistance are what makes WCYC flourish.

It has been a great year being able to reintroduce the history of the club and for members to learn about our roots. In order to move forward, it is important to know where we have come from. I will continue to share the newfound history as we move along. As stated in the dinner, the club needs its volunteers to get the fleet moving. Please take a look at the cruise schedule and let Marji know if you are able to assist with one of the cruises for next year. Thank you, David and Monique Monk, for volunteering to take on the Dana Point Cruise for this upcoming season!

The year is not over! We still have the Change of Watch Brunch at Newport Beach Yacht Club on January 23, 2027. This is an important event as it is when the club changes to the new Flag Officers and various board members for the 2027 yachting season. I am so excited for Marji to take on her new role as Commodore and for the new Flag Officers and WCYC board members to be right there along the way supporting her efforts. It is a great event, and I hope you can make it. After that we won't be seeing you until the new year for our annual New Years Dock Party!

Thank you again for allowing me to lead the club this past year. It has certainly been memorable and an experience I will treasure forever.

# LETTER FROM VICE COMMODORE MARJI WEBER

Greetings WCYC!

We have arrived at the end of the year. In just a few short weeks the holidays will be upon us and before you know it, the beginning of a new year.

We had an incredible evening this past weekend celebrating our Commodore, Brian Randall at Legends in Laguna Niguel. What a great turnout! What a perfect way to acknowledge his hard work and efforts on our behalf!

Next up is our Change of Watch ceremony where we will be welcoming in the new Board and Flag Officers. We have been working hard to put together another dynamic team to lead us through next year.

As I have mentioned many times this year, we are a volunteer organization. There are no paid positions in WCYC. In thinking of next year, I am asking each of you to think about something you can assist with in 2026. Host or co-host a cruise, help run the ship store at an event, volunteer to help with set-up/tear down for one of our land events, help out with the Tiki Regatta. There are so many opportunities to contribute. If everyone helps, it takes the burden off the same people who volunteer over and over again each year. We should all be doing our part! After all, the club belongs to all of us!

I would also like to make a plea for donations of baskets/containers for our raffle baskets. If you have anything you can donate, please bring it with you to The Change of Watch so we can have a good supply for next year's raffle baskets!

Thanksgiving is later this month, and I always like to reflect and think of what I am thankful for each year. Good health, family and friends are always part of it. This year I am also thankful for WCYC. We have made some wonderful memories this year on our cruises and events! We have also made some great accomplishments (thanks to Brian's hard work) in getting our name out there and showing people who we are and what we are all about as well as rekindling relationships with fellow clubs in Southern California. So many things to be thankful for!

Wishing you all a happy, healthy and safe Thanksgiving!

ON THE WATER

# Visiting the home of former CIYC member Doheny Jr.

**Jo Murray**
COLUMNIST

Back in 2006, the yachtsman Carlton "Bud" Scott started researching and writing a 272-page history book commemorating the 85th anniversary of the Catalina Island Yacht Club, from 1924 to 2009.

I was fortunate enough to be part of his seven-member team, three of whom, myself included, had also volunteered with Bud on Long Beach Yacht Club's 75th anniversary book.

What set the Catalina Island YC history apart from other clubs is the large number of famous people who were members — including Edward L. "Ned" Doheny Jr., son of oil magnate Edward L. Doheny of Teapot Dome fame.

Doheny Jr. was an active Catalina Island YC member when his secretary, Hugh Plunkett, reportedly murdered him at his Beverly Hills home. Plunkett then took his own life with the same gun. Scott's history book omits details of the 1929 murder-suicide in Doheny's game room/study, but the crime has long interested me.

Last week, on Friday, I was able to visit that home — Greystone Mansion — and the room (repurposed as a gift shop) that he was murdered in.

The impressive mansion, built in 1928, was the venue for a traveling floral exhibit, "Fleurs de Villes," promoting the HBO original series, "The Gilded Age." It included a collection of mannequins dressed in fresh flowers depicting characters of the series, each displayed in separate rooms on the property.

Doheny Jr. died in February 1929 and later that same year, the Catalina Island YC hosted the first "Commodore's Cruise" in collaboration with the Southern California Yachting Association. The cruise and associated regatta became a tradition that was hosted annually for several years and sporadically in more recent years.

Scott's history book includes intriguing notes about the 1933 cruise, which preceded the end of Prohibition on Dec. 5 that year.

"Bootleggers reportedly landed several gallons of ethanol on the beach in Long Beach in response to a shortage of medical supplies needed by doctors treating the many people injured in the March 10, 1933 earthquake," says an editor's note in the Catalina Island history book. "Dr. Carl Bishop, who was Vice Commodore of Long Beach YC, provided 30 gallons of 'alky' for the 1933 Commodores cruise party."

The 1933 commodores cruise to the isthmus over Labor Day weekend was hosted by four clubs, notes on the same page say: "California YC contributed $150 towards the event costs, Los Angeles YC contributed $50, Long Beach YC $25 and the remaining cost of $57.69 was paid by Catalina Island YC. The major expense was $132 for an item listed as 'refreshments' and the participants paid $0.25 for dinner."

This year, the Commodores Cup regatta and cruise returned after a hiatus — and was so successful that plans are already in the works for next year.

Greystone Mansion, in Beverly Hills, was where Catalina Island Yacht Club member Edward L. "Ned" Doheny Jr. was apparently slain by his secretary, Hugh Plunkett, in 1929. **PHOTO BY JO MURRAY**

SCYA Commodore Jodi Masters-Gonzales drove the effort to salute the association's history by bringing back the event, she said in a phone interview. She credited CIYC's Larry Gottlieb and LBYC Commodore Bob Piercy for leading the way. Masters-Gonzales also referred to Judge Advocate David Baker as a "bridge builder" between CIYC and SCYA — and gave kudos to Bill Larkin, who arranged the Tuna Club tour.

A special highlight of the weekend was a historical presentation tracing the Commodores Cruise from its founding in 1929 through its 97 years of existence.by Commodore Brian Randall of West Coast Yacht Club, which is celebrating its own 95th anniversary in 2026.

"From baseball games and mast-climbing contests to celebrity appearances and sailboat racing," Randall wrote in an email, "the Commodore's Cruise has always been about more than boats. It has been about bringing people together and creating memories that last long after the sails are lowered."

This year's cruise brought together representatives from more than 12 yacht clubs and boating organizations, including West Coast YC, Long Beach YC, Catalina Island YC, Newport Harbor Elks YC, Pierpont YC, Port Royal YC, American Legion YC, Horizon YC, Woman's Sailing Association of Orange County, Navy YC of Long Beach, Buccaneer YC of San Pedro, Marina YC Del Rey, and Long Beach Singles Club.

Since the cruise began in 1929, racing has been an important part of the event's history. In earlier years, the race ran from San Pedro, and finished between Bird Rock and Ship Rock at Two Harbors on Catalina Island.

On Oct. 23, LBYC and CIYC jointly hosted the Commodores Cup Regatta in conjunction with the annual SCYA Commodores Cruise to Avalon. The race started in Long Beach with the help from race officer Dave Weil and the LBYC race committee team, and finished in Catalina near the east end quarry by the CIYC race committee.

The racing proved to be exceptionally close. After corrected times were calculated, the top three finishers were separated by just 6 minutes, making for an exciting conclusion to the competition.

The final results were:

- First place: Rosebud, LBYC-Cal 40, captained by intermediate member Dave Monk, with a crew that included Scotty Dickson, Spencer Flynn and Galey Potiker.
- Second place: Trouble, LBYC Santa Cruz 50, captained by LBYC Rear Commodore Tom Camp, with Commodore Bob Piercy, Fleet Captain Shannon Gallagher, Port Captain Wendy Corzine, Junior Staff Commodore Lisa Meier and Staff Commodore Camille Daniels.
- Third place: Bellissima, West Coast YC, 46.1 Beneteau, captained by Glen Ashworth.

## USCG Auxiliary Vessel Safety Checks
## Flotilla 06-08 – Dana Point

Boating safety is an important part of being a vessel owner. As an owner it is your responsibility to ensure the safety of yourself, family, and friends that you have as guests on your vessel.

The best way to do this is to have your vessel examined by the Coast Guard Auxiliary on an annul basis, ensuring that your vessel and safety equipment meets the current Coast Guard, State, and Federal requirements.

The Auxiliary has several resources where you can conduct a virtual VSC and prepare your vessel for the safety check.....
