LETTER FROM COMMODORE BRIAN RANDALL

Greetings Everyone and Happy Fall!

I can't believe the Yachting season is over... What a season it has been. Our last cruise for the season was in the beginning of October and boy what a great culminating event. We managed to take part in a little bit of everything. Potluck on Friday night. Breakfast on Saturday morning, Saturday Dinghy rides, LBYC for drinks, Seal Beach for their Octoberfest, and wrapping it up at LBYC for Brunch on Sunday. It was an action-packed weekend. I have to say the highlight of the weekend was having the WCYC members representing at Seal Beach Yacht Club. We danced the night away and it all started with our own Mindy Sicard, leading everyone onto the dance floor with the chicken dance.... lol.... It was quite the sight. A big thank you to the Harth's for their assistance in organizing Saturday Morning's breakfast. It was the hottest cruise we have ever had and Andiamo definitely needs Air Conditioning to be installed...

We are right around the corner for the Commodore's Dinner, and I hope you can attend! It is being held at Legend's in Laguna Niguel this year on Saturday, November 7th. There will be live music and great conversations, and food! Check your Evite!

Next week Marji and I are racing on Glen and Astrid's "Bellissima" to Avalon for the Commodore's Challenge Race. This race started in 1931 and ceased back in 1985, and Catalina Island Yacht Club has decided it was time to revive the race. Keep your fingers crossed. It would be great to see WCYC have its name engraved on the 91-year-old trophy. We will be attending the annual Commodore's Cruise for SCYA which has been going on since 1929.

Mark your calendars! The Opening Day Cruise for 2027 has been set - March 19-21, 2027....and you can now make your reservations with the harbor master at Marina Park. Reach out to Nick Gautschi Dock Master: 949-270-8159/949-514-7040.

We will be wrapping up our Yachting season with the Change of watch on December 12. This year it is a brunch and is being held at Newport Beach Yacht Club. It is a big day, the board members are recognized for all their hard work during the past year, Marji will be sworn in as the new Commodore for the club's 96th season, the 2027 Cruise schedule will be dispersed and the ships store will be on full display - a great time to get your Christmas shopping in. We look forward to seeing you all in attendance!

Lastly, we are still seeking folks to fill some flag positions. Please reach out to Marji or me if interested. Lots of assistance will be offered to the new folks taking on the jobs Marji and I have been doing for a while... Remember it takes a team to move the fleet!

Enjoy the fall weather and I hope to see you all at the Commodore's dinner!

LETTER FROM VICE COMMODORE MARJI WEBER

Happy Fall WCYC!

We ended our cruising season with our annual cruise to LBYC and had an amazing weekend! Great attendance and some fun activities made it a great way to wrap up the year. Thanks to Jacqueline & Ken Harth for hosting breakfast on Saturday morning! They did a nice job being cruise co-captains for the first time. Brian has covered all the cruise details in his letter so I won't duplicate efforts but everyone had a great time!

Now we head into the final two events of the year, Commodore's Dinner and Change of Watch. Mark has done a great job of securing the venues for these events. The evite has gone out for the Commodore's Dinner which is November 7th at Legends in Laguna Niguel. If you haven't already done so, please RSVP! (do it now so you can remove it from your "to do" list)

We have begun putting together our schedule of events for 2027 and will be sharing it out once it is complete. Thinking ahead to next year, please consider what you can do to help the club. I have said this before, this is a volunteer club and we need all members to participate in order to continue to offer our events and cruises. Please start to think about how you can support the club in 2027. The club belongs to ALL of our members. We are ALL volunteers and we ALL need to contribute. I will continue to bring this up and continue to work toward getting everyone to actively participate. Without it our club will not survive. So please give it some thought. There are some positions on the Board that need to be filled for next year. (don't worry we will help you!) If you are interested, (or curious), please reach out to Brian or myself. We will once again be asking for cruise captains and co-captains beginning in the next few months. Didn't volunteer this year? Please consider for next year (again, we will help you)!

I look forward to seeing everyone at the Commodore's Dinner! This is always a fun event and it gives us a reason to dress up and spend the evening with friends. Ladies, need an excuse for a new outfit? You're welcome!

Warm fall wishes,

Marji Weber

A Fond Farewell to LBYC!

I want say thank you to LBYC for such a wonderful weekend at the club. This visit has traditionally been our club's last cruise of the season, and we are always excited to spend it in Alamitos Bay. As usual, LBYC rose above expectations, and our members had an amazing time.

I want to put out a big thank you to Dockmaster Alex for all of his preparation, work, and great ongoing communication which enabled the weekend to go so smoothly. His support as well as the rest of the dock staff, beginning at our arrival and throughout the weekend was fabulous. The dock crew was there whenever we needed anything.

We had a wonderful time up in the bar area for Friday cocktails as well as Saturday's lunch. On Sunday we once again were able to partake in the amazing brunch before we departed. Thank you again to LBYC for allowing us to make LBYC our last cruise of our 95th anniversary season. We truly appreciate them opening their docks and club for our members.

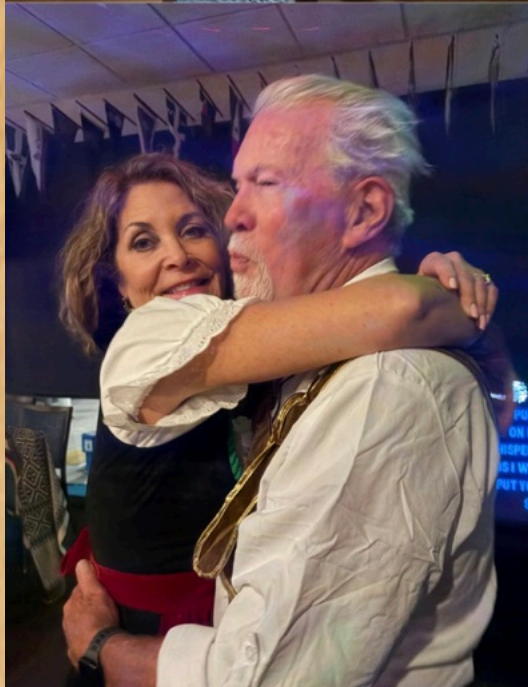

We look forward to next October so we can do it all over again!

Boating On The East Coast

This was written by my godfather in New York, he was the Commodore of Wangtaugh Yacht Club on the south shore of Long Island, The pictures are of a typical sunset on the Great South Bay, always magical... Enjoy the read I think a lot of us can relate to the beautiful words.

Letter from Our Commodore: Ed Beyer

Hi, I wrote this one late afternoon at Sunset in Zach's bay. I wanted to tell everyone how I felt

A Summer's Evening

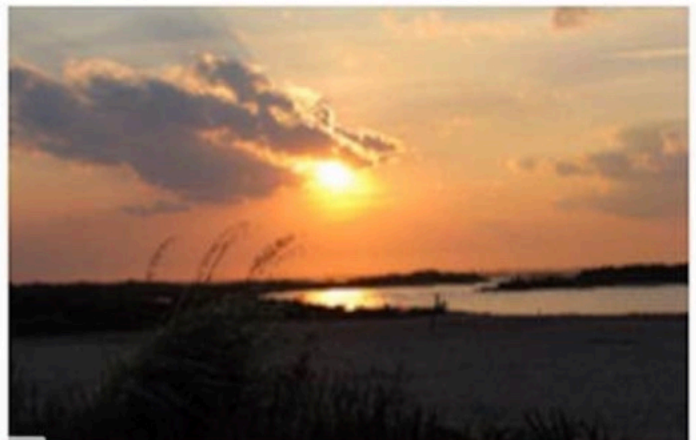

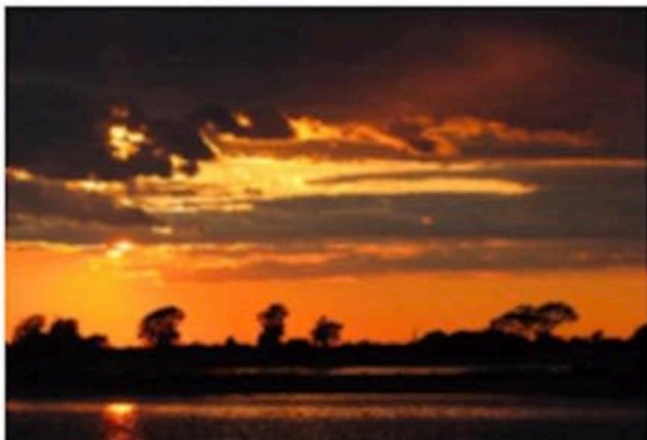

Dinner in the cabin over, I walked to the stern of our boat the "Betty Jane" and relaxed in a comfortable chair with my feet up on the transom. The soft touch of a warm breeze flows over my bare legs and arms.

Birds drift by in lazy flight. Are they singing or merely shrieking? In the distance car tires hum along the beach highway. The Sun low in the sky, sends back bright warm reflections across the bay. A few remaining boats slowly pull up anchor and head home.

Alone at last, surrounded by an empty bay and white sandy beaches, The only the sounds now are the birds, and the light slapping of the water on the hull. I don't want to leave. I feel as one with the Sun, the water and the drifting birds.

It's as if we are all there for each other, waiting for the Sunset. What will it be like tonight? Does it get any better than this? I close my eyes and drift into a light sleep. When I open my eyes the Sun has grown into a fiery red ball about to set. The sky is beautiful, it has been painted in ways that defy description. You ask where am I?

I am anywhere in a boat, anchored in a bay, at sunset and enjoying life.

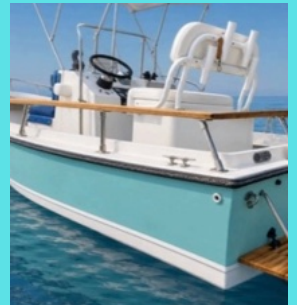

Repair of the Month

Marji and I aquired a 1986 20' Shamrock center console to take to Lake Arrowhead and potentially to use at the river. The boat and trailer were basically free. I had to hunt down the original owners to get paperwork squared away. From there we began the tear down process. New motor put in.... then the body work began.... We will keep you updated...

2026 USCG Auxiliary Vessel Safety Checks Flotilla 06-08 – Dana Point

Boating safety is an important part of being a vessel owner. As an owner it is your responsibility to ensure the safety of yourself, family, and friends that you have as guests on your vessel.

The best way to do this is to have your vessel examined by the Coast Guard Auxiliary on an annual basis, ensuring that your vessel and safety equipment meets the current Coast Guard, State, and Federal requirements.

The Auxiliary has several resources where you can conduct a virtual VSC and prepare your vessel for the safety check.....
