LETTER FROM COMMODORE BRIAN RANDALL

Greetings Everyone,

Last week we came back from Avalon, and I have to say, wow, what an amazing time. Tammy and Rod did such a wonderful job hosting us aboard Diadem. As Karen Rasulo stated..... Diadem could be our Yacht club base! It held 24 people aboard with no issues. The food was fantastic, the company was terrific and the hosts were even more wonderful! Thank you for opening your yacht to us. We couldn't have asked for a better weekend.

We are getting down to the last cruise which is just around the corner. The Long Beach Yacht Club cruise will be a mix of everything; time at LBYC, potluck on the docks, dinner at Seal Beach Yacht Club for Octoberfest!, and perhaps some time visiting our friends at CBYC during our dinghy ride. The weekend should be a lot of fun. A big thanks ahead of time to the Harth's for organizing the Breakfast for Saturday am on the docks.

Some good news relating to our club, I have been asked to present at the SCYA Commodore's Cruise in October (23-25) on behalf of SCYA; telling the tale of the history of the cruise that goes back to 1929. It will also include how WCYC has been an integral part of SCYA from its early years of development. This year the cruise is bringing back a race that started back in 1935 and was discontinued in 1985. It is the Commodore's Cup Challenge. Traditionally starting off of LA harbor and ending at Bird Rock at the Isthmus, this year we will be leaving off of Alamitos Bay (LBYC organizing the start) and ending at a designated point off Avalon. Glenn Ashworth has graciously volunteered Bellissima to be WCYC entry into the decades old race. We will do our best to represent WCYC at our highest level. The Commodore's Cruise was initiated by CIYC and traditionally in its golden age, brought in over 500 guests to the island for a 3-day weekend of fun and competition. Although times have changed and the numbers are lower, its still a wonderful event to meet people from other yacht clubs and network.

As we close out our Cruising season, I encourage those of you to consider taking on a board position. The club runs on volunteers, and we have the following to fill, Secretary, Rear Commodore, and Vice Commodore. Please reach out to either Marji or me if you would like to discuss the position requirements further.

Please take a close look at the changes for reservations for Two Harbors. These changes should help significantly in planning your trips over to the Isthmus.

Enjoy the month of October..... It's usually the best weather of the entire season!

LETTER FROM VICE COMMODORE MARJI WEBER

Hello WCYC!

Last weekend we had one of our last cruises of the season to Avalon. Tammy & Rod were our cruise captains and they did an amazing job! I have to say this was one of my favorite cruises of the season! The weather was beautiful, the water was warm and we had a great group in attendance! Friday night we had our potluck aboard Diadem. The food was outstanding! Everyone went all out with their contributions. We spent most of the afternoon back on Diadem for a lunch of homemade pulled pork and water activities! Late Saturday afternoon, we got to enjoy the naming ceremony for Eric & Caroline Ten Eyck's new boat Remedy. Thank you, Eric & Caroline for including WCYC in this special occasion! From there it was on to Steve's Steak House for dinner on the beach. It was a perfect day!

Next up is our last cruise of the season the weekend of October 2nd. We will be at Long Beach Yacht Club. Activities include visiting CBYC and joining Seal Beach Yacht Club in an Oktoberfest dinner. It's sure to be another fun weekend!

After Long Beach we are back to our land events. Mark has done a great job securing the venues for our remaining events this year. Watch for your evite to the Commodore's Dinner which will be in November.

Wishing you a beautiful Autumn!

SCYA What is It?

Its WCYC Connections

Since 1921, The Southern California Yachting Association (SCYA) is a regional recreational yachting and boating organization that services amateur yacht clubs, sailing clubs and power boat groups. SCYA is a non-profit California corporation supporting boating groups and clubs from Fresno, California to Baja, Mexico, and inland to Tempe, Arizona, Lake Havasu, Arizona and Las Vegas, Nevada. The focus of SCYA is to provide a single platform whereby harbor associations, yachting and boating clubs, rendezvous and regatta organizers can communicate and coordinate their respective activities in one forum. SCYA is recognized nationally by US Boating and US Sailing as a regional association.

Services the SCYA provides to its members are the coordination of boating activities throughout the region, providing education for boat safety and other topics, celebrating and recognizing yacht club and association quality programs, commending sailors and power boaters for their skills and Corinthian spirit, and providing communication through the SCYA website, yearly publications, and meetings allowing members to connect. In addition, the association informs the general boating community of special legislation that can impact the boating community. SCYA has been providing these services for over 100+ years.

2026 USCG Auxiliary Vessel Safety Checks Flotilla 06-08 – Dana Point

Boating safety is an important part of being a vessel owner. As an owner it is your responsibility to ensure the safety of yourself, family, and friends that you have as guests on your vessel.

The best way to do this is to have your vessel examined by the Coast Guard Auxiliary on an annual basis, ensuring that your vessel and safety equipment meets the current Coast Guard, State, and Federal requirements.

The Auxiliary has several resources where you can conduct a virtual VSC and prepare your vessel for the safety check.....

- Download a copy of the Current Exam Form to review at https://wow.uscgaux.info/Uploads_wowII/114-06-08/2023_vsc_form_hglt_sample
