## LETTER FROM COMMODORE MIKE SANDLER

---

Greetings WCYC Members,

OK, what the heck happened to July? It seemed to go by so fast. As many of you know, Sheri and I went to Big Bear for five days, then flew off to Europe for 11 days. Unfortunately, we were unable to make the July cruise to Cherry Cove, but I heard it went smoothly and was very relaxing. Please enjoy the Riddles cruise captain's report and photos below. Also, a big shout out to our past commodore Jim McNamara for providing our monthly commodore's report that weekend.

Since our September planned cruise to San Diego has been canceled, your Vice Commodore Mindy Sicard and Rear Commodore Donna Groves have been working diligently on putting together a very special alternative cruise. The evite has probably already been sent out but more information can be found below. This one is going to be a lot of fun!

First up, however, is our Newport Beach Raft up cruise this month. Our cruise captains the Rasulo's and co-cruise captains the Threlkeld's have some super fun things planned as well as live music on Saturday. "Cowpokes N' Boats" is the weekend theme so bring your best western gear and hats to the party. There is still time to get your RSVP's in but you better hurry.

Our JAG Richard Hepner is at it again. He has put together a nice "Nautical Flag Etiquette" piece which is included in this month's binnacle. Thank you, Richard.

The Dana Point marina revitalization has begun. Who knows how smoothly this is going to go, but loud noises and disruptions are expected. Please be extra safe while navigating the harbor while it is under re-construction.

Well, that's all for now, and I hope to see everyone at the Newport Beach raft-up.

## LETTER FROM VICE COMMODORE MINDY SICARD

---

Hello Members,

A big giant thank you to Chip and Valerie Riddle for taking on all the responsibilities with the WCYC cruise to Cherry Cove. Unfortunately, the day of departure, both Ed and I came down with Covid. Hope everyone who attended had a great time. It looked like you all had perfect weather and lots of fun company.

On Friday, August 12th – Sunday, August 14th WCYC will anchor their boats in the Newport Harbor Anchorage area for Cowpokes N' Boats. To ensure enough space, please make sure you RSVP by Aug 5<sup>th</sup> so we know to expect you. Please check out the flyer below for all the details. Thank you to the Rasulos and the Threlkelds for hosting the fun western themed weekend. Western wear is encouraged for the Saturday night festivities.

Save-the-Date for the first ever Commodore's Cruise celebrating our fantastic Commodore, Mike Sandler. Friday, September 9th – Monday, September 12th WCYC will board the Carnival Cruise Ship, Radiance. Please refer to the flyer below. Evites and Invitations are to follow with more detailed information.

For the 2023 WCYC year, if you are interested in being on the board, there are a couple positions that will have an opening. Please contact me if you are interested in giving your valuable input.

## LETTER FROM REAR COMMODORE DONNA GROVES

---

Ahoy Cruise Members,

It has been HOT here in Dana Point, but I love the weather. Some days start out with a marine layer, but always end up beautiful and sunny.

The last cruise looked like a lot of fun and sorry we missed it. The next cruise to Newport is always a popular event and the captain's always do such a fantastic job. Hopefully, you all will make it. Rumor has it there will be a band which will just add to more fun and hopefully some dancing.

See the below flyer about our Commodore's cruise in September. It is a great surprise and different from anything WCYC has ever done. We all hope you will make it so we can party like Rockstars with our Fabulous Commodore Mike Sandler. He has done such a wonderful job this year and we need to celebrate him in the loudest, funniest, party way that only WCYC knows how to do. I am quite sure there will be a "Roast" if I have something to do with it.

Hope everyone has a safe boating summer. Look forward to you all at our cruises and dinners that are coming up.

Donna Groves  
Rear Commodore

## LETTER FROM MEMBERSHIP TOM RASULO

---

Heloooooooo Cruisers,

The upcoming Newport Cruise is shaping up to be as much a Membership event as it is our biggest cruise! Get Ready, we may have 20 boats. Because our membership has been so diligent in referring friends who are interested in joining WCYC our perspective membership list is at another new all time high. I've invited at least six perspective members to come and tie up for the weekend. Many from Newport so I think its probable they will come.

Remember, there will be live music again on Saturday Aug 13th. I've hired Scott Grillo who we found in Two Harbors entertaining in Cherry Cove.....

He's great. He will set up everything on his own boat and bring it to Newport and point his stern at ours and play from 1:00-4:00.

Saturday night will be our Western Themed dinner (CowPokes N Boats) at the Balboa Basin Yacht Club so dig up that western shirt, wear your hat, and your name badge.

## LETTER FROM THE EDITOR STEVE FIORILLO

---

Hello All:

I'm always looking for content for the Binnacle, so anything you'd like to share with the membership that's boating related please send it my way.

If you're not aware, we also have a Facebook group that's been active for several years, <https://www.facebook.com/groups/448832008534519>. This is a private group for members only, so if go to this page and request membership I'll add you in ASAP. Or you can send me your Facebook account and I'll do it that way.

This group, as with the Binnacle, can be used to share your photos, trip journals, etc, but also any suggestions for contractors (upholsterers, boat cleaners, mechanics, etc), as we're all looking for "that guy".

Any contribution to the membership that is more real-time should be posted to our FB group so we all see in a timely manner.

Please let me know if there's any questions or concerns.

Regards,  
Steve Fiorillo

# July's Cruise to Cherry Cove

Cruise Report by Chip Riddle

The WCYC Round-Up aka "No Shoes, No Shirt, No Problem" Cruise turned into a "problem" for the Sicards due to a last minute health issue and thus had to cancel and "no problem" for the Harrisons who were on the bubble due to Steve's health problem. The Sicards were pitch hitting for the Harrisons due to the uncertainty and thus had all the breakfast goodies and the big yacht for the party! No Shoes, No Shirt, No Sicards! At the 11<sup>th</sup> hour Mindy dropped off a carload of the most wonderful continental breakfast spread complete with flowers!

Despite the challenges we had a great time with the 5 boats (Dallapes, Harrisons, McNamaras, Riddles and Wagners) who made the trip to beautiful Cherry Cove.

Friday night burgers, hot dogs on the R&R with great views of large rays and flying fish under the boat as the lights broadcasted below through the clear waters of Cherry Cove.

Saturday morning we feasted on the Sicards awesome fruit plate, bagels and locs, Champagne and Bloody Marys, scones as the sun rose over our precious cove setting.

The floaties broke out and the water was clear and stimulating cool as the Giribaldi swam below and the snorkelers swam past. The Wagners broke out the No Shoes flag and the evening dinner grill on R&R was fired up for a feast of BBQ Chicken, potato salad, fresh salad and Mac and Cheese.

# July's Cruise to Cherry Cove

Cruise Report by Chip Riddle

The highlight of the evening was Jim McNamara formerly investing our new members Bob and Teri Dallape into the WCYC with a fitting welcome highlighting and commemorating the July 1931 -91<sup>st</sup> Anniversary of the West Coast Yacht Club. Great job Jim! I believe Bob and Teri felt very welcomed as new members.

Sunday, Bob and Teri headed over the Wine Festival as the Harrisons and Riddle sat just offshore and enjoyed the live band of the Wine Festival playing on the beach.

It was such a great weekend we stayed over till Monday!

See you'all partners at the next Cowpokes N'Boats in August!

# WHERE DID THOSE TERMS ORIGINATE?

## 1. Above Board

Pirates would frequently keep a significant portion of their crew beneath the deck. Boats with publicly exposed workers on the deck were regarded to be honest merchant ships classified as “above board.”

## 2. Walk the Plank

It has been documented that pirates could toss men overboard for minor infractions. However no one has ever been recorded as having “walked the plank.” It’s a Hollywood film legend.

## 3. As the Crow Flies

The shortest path from one location to another has no diversions. Before the development of modern navigational devices British ships maintained a cage of crows. Once released at sea the birds go directly to the nearest shore indicating the location of the nearest shore.

## 4. Bitter End

The end of a rope or the last piece of a loop. The end that is linked to the vessel as contrasted to the “working end” may be connected to an anchor cleats or another vessel. Nowadays the phrase refers to a final terrible or tragic finish.

## 5. Fits the Bill

A Bill of Lading was employed to confirm receiving of commodities and the pledge to transport them in perfect or similar quality to their target. The products were examined with the Bill of Lading upon arrival to ensure that everything was in order. If that’s the case they “fit the bill.”

## 6. Footloose or Footloose and Fancy-Free

The term is derived from the moniker of the bottom of a boat known as the foot which should be connected to the boom. This will become “footloose” if not correctly fastened leading the vessel to sail improperly. Footloose and fancy-free have evolved to refer to someone who performs without devotion.

## 7. Freeze the Balls Off a Brass Monkey

Cannonballs were placed on deck next to the cannon in a pyramid arrangement and kept in a ring known as a brass monkey. If it was really cold outside the brass ring could shrink quicker than that of the iron cannon pellets forcing some of them to tumble. As a result the term was and still is used to indicate anything extremely chilly.

## 8. In the Doldrums

The word Doldrums refers to a region of the water in each hemisphere. This location is noted for having inclement weather and mild winds. Due to a lack of wind a sailing ship stuck in the Doldrums may get stranded. Today the phrase is used to indicate someone who is down stagnant or depressed. Doldrums

## 9. Letting the Cat Out of the Bag

The name refers to the traditional naval penalty of being beaten with a “cat o’ nine tails.” The lash was stored in a leather handbag and whenever sailors “let the Cat out of the bag” it was typically because they had done anything that could end in violence. Today the word refers to someone saying something that should not have been stated or revealing a secret.

## 10. Limey

Originally referring to a British sailor this phrase is now used to apply to any British individual. The phrase derives from the practice of providing limes to British sailors to prevent sicknesses such as scurvy in the 17th and 18th centuries (a vitamin C deficiency).
