LETTER FROM COMMODORE MINDY SICARD

Dear Members

Did we have fun in July? Yes we did!

The Tiki Regatta...

Thank you to our Fleet/Port Captain John Kossa and his wife Crezlun for putting together such an outstanding 10th Annual Tiki Regatta. So much fun had by all! Thank you to all the racers and boat owners who made the Regatta possible. Thank you to the members who brought an appetizer or dessert to the event and to everyone who attended.

Cruise to Avalon...

The cruise to Avalon was a great success. Please check out my Cruise Report below.

Board of Directors...

West Coast Yacht Club will have a few open Board of Directors positions for the 2024 year. It's a great way to get involved and meet new people. If you think you might be interested in serving on the board, please contact me at commodore@westcoastyachtclub.com or Vice-Commodore Donna Groves, vice-commodore@westcoastyachtclub.com.

See you on the seas in 2023

Mindy Sicard
Commodore

LETTER FROM VICE COMMODORE DONNA GROVES

Cruisers,

I hope everyone is doing well and enjoying our beautiful Ocean.

We had a great turnout for our July Cruise and what a fun time we all had. Mike & I arrived on Wednesday to have a bit of an extended holiday and I could not believe my eyes. Avalon was packed with boats. The look on my face when Harbor Patrol told me my first night was going to be in Descanso was priceless. I just could not wrap my head around it. As we were departing for Descanso the young man said... "Wait we may have a 60 ft for you". We're usually on a 50 foot mooring, but I did not care if we could stay inside. As our members started to arrive on Thursday and Friday, we just knew we needed to have boats buddy up. Everyone agreed to side tie and it worked out great. Only one boat ended up in Descanso for the weekend... our Sr. Staff Commodore Dave Monk and our Secretary Monique Monk. They said it wasn't bad and they enjoyed spending the weekend with their nephew and his girlfriend.

Hats off to Captains Mindy and Ed Sicard as they always go above and beyond to make everyone feel welcomed. Thanks to Brian and Marji for stepping in as Co-Captains with them as the number of people attending grew and grew. Friday night Mindy did a Mexican dinner and it was delicious. From the corn salsa (my favorite) to making your own chicken burritos, it truly was amazing. Their boat was perfect for both events with the 3 decks to sit eat drink and watch the sunset. Saturday morning was no different. Mindy was making pancakes and eggs to order, while Marji made these little sausage quiches which were to die for. Bagels, lox, a fruit display, and I can keep going. All perfect for Saturday Brunch. As always Tammy made a great basket, which our new members Steve and Lori Ash won. It was a nice welcome to our club.

Saturday was so relaxing. The weather was perfect for lounging on floaties or just sitting on your chairs or swim step. I hope everyone can join us next month for the "Cruise to Cherry", captained by Chip and Christie. They are having fun entertainment with a "WCYC Murder Mystery". I wonder what member walked the plank to their death and who made them do it we shall find out. September we are going to Newport with Captains Rasulos and Hepners and an eVite should be coming out soon.

We are working on the "Commodore's Cruise to Ensenada" in October, so if anyone has any questions feel free to email me at vice-commodore@westcoastyachtclub.com. We had a great time last year and really was nice to let someone else captain the boat and do all the work.

Donna Groves
Rear Commodore

LETTER FROM REAR COMMODORE TOM RASULO

Ahoy fellow members

What a great cruise Avalon was. It was so well attended and everyone had such fun pitching in to make it a great success. Well done! Mindy & Ed as well as Brian and Marji. All did a yeoman's job!

As I cast an eye to my responsibilities next year, I'd like to encourage ALL our members to volunteer for at least one event in 2024. It really is fun, and it takes so much pressure off those who seem to do it every time. You'll have help and plenty of it, I promise. Please pitch in and do your part.

SAVE THE DATES!

Plans are underway for our last few dinners of the 2023 year:

November 11th is our Commodores Dinner to honor Mindy for all her contributions over the past several years. This will be in Nelli Gail and will feature a live band. AND we get to dress up if we wish!

December 9th Is our Change of Watch Holiday Brunch to welcome our new Commodore and promote our flag officers to their new positions. This is always a favorite as it features our annual awards.

Till next we sail together,

Tom Rasulo
Rear Commodore

LETTER FROM FLEET/PORT CAPTAIN JOHN KOSSA

Our 10th annual Tiki Regatta was a success!

We had a total of 6 boats enter the race, 3 WCYC members & 3 non-member boats...

Caravela- owned by Scott Ryan
Getting Off - owned by Walter Folsom
Running Water- owned by Dino + Kathy Bellafaire
Freestyle
MerSea
Sea Salt

Unfortunately, Freestyle had motor issues & MerSea had rigging issues, they both had to drop out of the regatta. See our Tiki Photo Section below for the this year's winners.

Thank you Clare Kenny, the tiki decorations on Getting Off were a great idea! Thank you to all the teams that competed & made our 10th year a huge success!

Our committee boat was Fluke, David & Monique Monk's beautiful new addition to our fleet! The Race Committee was David Monk, Mike Sandler, John Kossa & Tom Hensley. Thank you David Monk for hosting lunch & drinks for us all. This was my first time on the committee boat & I had an amazing time. We told stories & laughed until it hurt! Thanks again David!!

The Tiki Awards Party had a great turnout, over 60 members & guests came. I had overwhelming positive feedback about the taco cart. I hope everyone liked the tiki taco's & the tropical mock-tail with alcohol on the side.

A big thank you to everyone that brought an appetizer or a dessert. It takes a group effort to put on the Tiki Regatta & it wouldn't be the same without everyone that brought something & that helped with clean-up.

Thank you Dino for bringing your drone & getting the big group photo up on the grassy knoll.

A huge THANK YOU to my wife Crezlun, Ed & Mindy Sicard, Brian Randall, David Monk and Donna Groves for all your help in getting sailboats to race, helping set up/take down & making the it another fun Tiki Regatta!

John Kossa
Fleet/Port Captain

LETTER FROM MEMBERSHIP

BRIAN RANDALL

Greetings from your Membership Chair!

I hope you all are doing well and for those of you who attended the Avalon Cruise, I hope you all had a great time and had smooth seas coming home. It was great to see some members both old and new in attendance. We even had some new visitors that hopefully will choose to sign up with WCYC.

We have some new members to announce.....

Steve and Lori Ash have returned from their 7-month stay in Mexico and joined in with the West Coast Yacht Club family on the Avalon cruise. We look forward to having them participate in future activities and cruises on their Mikelson Yacht. You definitely want to hear some of their tales of their sea adventures traveling down south.

Natalie and Brent Lacher completed their 2-activity requirement to move forward to the Board for final approval. They have a 28' powerboat called "Lachertime" which is kept in Dan Point. We look forward to the Lacher's participation in upcoming events. Such a great couple.

Did you know that at one time WCYC had over 100 memberships(almost 200 members!!!) I'm hoping we get back there some day soon! We currently have 52 memberships with 97 members.

As the summer moves along, we constantly get more and more interested parties considering our club. Its always a fantastic sight to see when new boaters reach out to us during an activity either on shore or on the water to say "What are you guys all about?.... How can I get involved with this?". This is where our current membership comes in. Please keep an ear and eye out for people who have a boat (power or sail) and would love to participate in cruising. Maybe its someone new to boating or maybe its someone who would like to cruise more but feels more comfortable going with others. If you do run into someone who may be a potential member, please give them our information.

COURSE OFFERING

Are you new to cruising? Do you have a new boat? Are you hesitant to sign up for a cruise because of safety concerns? Would you like to feel more secure when underway? Are you hesitant to join a long-distance cruise because you are unsure of what to do in an emergency? I have had a few members of the club ask me about safety classes that would benefit them as they are new to boating and cruising....

LETTER FROM MEMBERSHIP BRIAN RANDALL

Well, you are in luck! The USCG Auxiliary will be hosting a class over at Dana Point Yacht Club this August. It is designed for people with little or no boating experience who may be in a situation where they need to take command of a vessel in the event the operator is incapacitated for some reason. It covers some of the most critical information needed to get the boat safely back to the dock.

**Suddenly In Command: Dana Point Yacht Club, 24399 Dana Drive,
7:00-9:00 Wednesday August 23rd - Cost is \$25.00.**

If interested contact ericgritzmacher@cox.net or 949-632-2378

Also check out the full Auxilliary class schedule for the remainder of the year at <http://www.uscgaux.info/content.php?unit=114-06-08&category=boating-courses>

Lastly, I wanted to state that although we are primarily a Cruising Yacht Club we have great land activities both formal and informal that create the comradery that many land based clubs try to provide, and we do it better! It saddens me to see members join our club and then we never see them at our activates. I know life is busy and things come up, but we want to see you!! If you know of a member who hasn't been participating, especially newer members, please encourage those members to sign up for the cruises and activities..... after all that is the reason to join WCYC... yes?

As a reminder, Next year's Application fee is \$200.00 and next year's Dues are \$200. The time is now to take advantage of some lower rates. So, if you know someone looking to join, let's get them signed up this year!

Our next activity is the Cherry Cove Cruise on August 11-13. Keep an eye out for the Evite! I look forward to seeing you all there!

Stay safe.... wishing you calm seas and may the wind be at your back.

Brian Randal
Membership Chair

LETTER FROM THE EDITOR STEVE FIORILLO

Hello All:

I'm always looking for content for the Binnacle, so anything you'd like to share with the membership that's boating related please send it my way.

If you're not aware, we also have a Facebook group that's been active for several years, <https://www.facebook.com/groups/448832008534519>. This is a private group for members only, so if go to this page and request membership I'll add you in ASAP. Or you can send me your Facebook account and I'll do it that way.

This group, as with the Binnacle, can be used to share your photos, trip journals, etc, but also any suggestions for contractors (upholsterers, boat cleaners, mechanics, etc), as we're all looking for "that guy".

Any contribution to the membership that is more real-time should be posted to our FB group so we all see in a timely manner.

Please let me know if there's any questions or concerns.

Regards,
Steve Fiorillo

Cruise Report By

Mother Nature was nice to us! WCYC finally had the opportunity to go to Avalon Catalina. The weather and crossing were beautiful. It was nice to be out in the hot sun relaxing with friends and looking out at the most beautiful island.

A big thank you to Brian Randall and Marji Weber for Co-hosting the cruise with Ed and myself. A big shout out and thank you to Donna and Mike Groves for working with harbor patrol and finding boats to side-tie with.

Who knew July in Avalon would be so busy with boats?

Friday members arrived and got settled. In the evening the party began on the Sadie Mae with appetizers, chicken burritos desserts and cocktails. We had several special guests from afar who attended. The Monks invited their nephew and girlfriend who came all the way from London and the Rasulos invited their sister Marie from Chicago. We really enjoyed getting to know them better.

Congratulations to new members Steve and Lori Ash who won the amazing crab themed Raffle Basket.

Cruise Report By Mindy Sicard

Saturday the members returned to the Sadie Mae for breakfast and eye-openers. Loved how everyone had a leisurely morning spending time with friends.

Chip and Christie Threlkeld even came all the way from Two Harbors in their dingy.

In the afternoon the day was spent doing whatever anyone wanted to do. Some found their way onto floaties some went shopping others went to lunch and some just chilled on the back of their boats or stayed on the Sadie Mae.

Around 5:00 p.m. many gathered at Luau Larry's to begin our organized pub crawl. Tom Rasulo even got a Wiki Wacker! What? There were five stops in the crawl and what was nice about it is people came and went. Some members made reservations to restaurants for a nice dinner and then re-grouped and others followed the pub-crawl plan.....

Sunday was departure day for many. Some stayed for multiple days where the party continued. We even got to see Steve and Cindy Fiorillo arrive to have a special time with their family. Also Steve and Sandra Harrison made their way to the island for some island fun.

A special thank you to Richard Hepner for putting together a fabulous video of our Catalina weekend on YouTube, <https://www.youtube.com/watch?v=-dVHqMqzHOI>. If you haven't had a chance to view it please take a look on our West Coast Yacht Club Facebook page.

Anchors & Anchoring

There's no denying that day trips on your boat are fun! That's why you bought your boat, right? Whether you're heading out for a day of watersports action with the family, cruising to a little town to explore, catching fish or crab for dinner, or following the wind, there is a freedom to owning a boat. There's also something to be said for just sitting still, anchored somewhere away from your home marina, whether for a few hours or overnight.

Many boaters, especially new boat owners, are anxious about anchoring. One of the most frequent questions we get at *BoatUS Magazine* is "how to anchor a boat?" You also want to know how to select the right anchor, where to anchor, how a boat anchor works, and whether or not you need anchor chain. Do-it-yourselfers want to know how to install, use, or maintain a windlass; care for your ground tackle; or add chain to your nylon anchor rode.

Our extensive library of *BoatUS Magazine* articles and videos on anchors and anchoring will teach you just about everything you need to know and give you the confidence to anchor your boat safely and make sure the anchor holds bottom, whether you're dropping the hook for a short lunch stop, taking family and friends for a swim, or spending a quiet night bobbing gently under a starry sky.

For more on anchoring visit the BoatUS Anchoring Page at <https://www.boatus.com/expert-advice/seamanship/anchors-and-anchoring>
