## LETTER FROM COMMODORE MINDY SICARD

---

Dear WCYC Members,

Happy New Year! I am honored to be this year's Commodore for West Coast Yacht Club and look forward to another adventurous and exciting year with new cruise destinations and discoveries. The 2023 Board of Directors are working hard to carry on the continued success of WCYC. We are rich in history as we are now celebrating our 92nd year. We have come a long way; from building our boats using sawhorses, to being awarded sawhorses.

Thank you to Donna Groves for arranging a memorable "Change of Watch", the venue at Luciano's was perfect and intimate as we all gathered to reflect on the past year, to honor our past Commodore, Mike Sandler and to look forward to the year to come. Thank you to our Judge Advocate, Richard Hepner, for keeping us in line with tradition and the annual program.

I am excited with what 2023 has to offer for each and everyone of us. The new memories which are to be made, as well as the new friendships we are about to make. Our new Membership Director and Board Member, Brian Randall will sure do a superb job signing up many new members who will become part of our fun... Who has more fun than we do?.... We Do!

Vice-Commodore, Donna Groves, has a fun-filled year ahead of us with a variety of planned cruises, some to familiar places and some to new destinations. Rear-Commodore, Tom Rasulo, is very familiar with his role as he went up the flags with Bahia Corinthian Yacht Club. This year he is in charge of four of our land events. Our next event will be held in February with a dinner at a local restaurant and we hope to see each and everyone of you as we celebrate the month of love.

Look forward to new product from the Ship's Store. Tammy Huntley did a wonderful job last year bringing the store to almost every event and she has agreed to do the Ship's Store again.

I would like to give a shout out to the rest of the board. Long time board member Dave Monk will be our Sr. Staff Commodore, and Past Commodore Mike Sandler will be our Jr. Staff Commodore. This summer we will celebrate with our annual Tiki Regatta. John Kossa had so much fun planning last year's event, he's agreed to remain as Fleet Captain. He did have lots of help from his lovely wife, Crezlun. Our Secretary, Monique Monk who has taken many copious notes over the year has also agreed to stay as Secretary. Our Treasurer, Christie Threlkeld loves numbers and financials. We appreciate her wanting to stay as well. Last and defiantly not least, a big giant shout out to our Web Master and Editor in Chief of the Binnacle, Steve Fiorillo. We are so fortunate to have him stay on again for his 7th year.

I look forward to seeing you at the many events we have throughout the year and on the seas in 2023.

Mindy Sicard  
Vice Commodore

## LETTER FROM VICE COMMODORE DONNA GROVES

---

Happy Holidays!

I hope everyone had a great Christmas and fun with family and friends. I know I did. The New Year is right around the corner and I am eager to get started on our Cruising Calendar. We have some great trips planned and still looking for some cruise captains and some co-captians to help. Don't be shy it really is fun planning these events. You get to be creative and bring new ideas to the members and the cruises. Everyone loves a good dress up, a specialty drink, a contest and a photo opp. So let your minds be creative. You can contract me directly at [dcgultevent@aol.com](mailto:dcgultevent@aol.com) if you decide to plan one of the cruises. The WCYC Board will always be around to help you or answer any questions.

To everyone have a safe and Happy New Year. Give your husband or wife a kiss, hug your kids and grandchildren, go on a Cruise with friends or just enjoy the beautiful Sunset with a love one or friends. We live in a beautiful place, so don't let it pass you by. 2023 Here we come!

Donna Groves  
Rear Commodore

# LETTER FROM REAR COMMODORE TOM RASULO

---

Greetings fellow WCYC members,

Mery Christmas and Happy New Year! I hope you all got through it safely and that Santa was good to you.

If you attended the “Change of Watch” luncheon you know it was a really good time. We so rarely get together for land-based events, so it was so nice to see everyone in long sleeves and holiday attire for a change. Hey, we clean up pretty good 😊

Now that I’ve become your Rear Commodore it’s time for me to focus on those land- based events. We only have four of them. They are:

February 11	Valentine’s Day Dinner (Location to be announced soon)
March 11	St. Patrick’s Day Dinner
November 11	Commodore’s Dinner
December 9	Holiday / Change of Watch Luncheon

It’s been such fun being our Membership Chair for the last two years. Many thank to all of you for referring potential members and for being such evangelists for WCYC. Please keep that momentum going for our new membership chair, Brian Randall. He’s a great guy and a perfect fit for that responsibility.

Tom Rasulo  
Membership Chair

# LETTER FROM FLEET/PORT CAPTAIN JOHN KOSSA

---

Ahoy WCYC,

I hope you all had a Merry Christmas, Happy Hanukkah, Happy Kwanzaa & a Festive New Years Eve. Welcome to 2023! I hope it will be a fun & successful cruise year. I want to switch up the Tiki Regatta this year. I'm working on changing the date & the menu. Hope to see you all soon.

John Kossa  
Fleet/Port Captain

## LETTER FROM MEMBERSHIP BRIAN RANDAL

Greetings and Happy New Year from your New Membership Chair!

I am happy to have been asked to take on the role as Membership Chair for WCYC this year. Tom has done an amazing job and I have some big shoes to fill. Thank you, Tom, for all of your hard work and efforts to help WCYC continue to grow and add new members.

For those of you who may not know me, I have been a WCYC member for a few years now. Marji is my better half and together we love attending the club events. I am an avid boater with a passion for sailing and power boating. I often head to the east coast to race on a team on a Beneteau 36.7 "That's Ridiculous" and race locally in Dana Point and in Huntington. Locally I have a boat in Dana Point - Aquaholic - an 18 foot Reef Runner, and I have the privilege to own "Anchors Aweigh!" a 10M Cooper Prowler. You may have been following my trials and tribulations on our Facebook page documenting my motor issues for the past 2 years.... LOL. I am hoping within the next two months my days of cruising with the big boat are right around the corner! If not you'll still see Marji and I braving the waters in Aquaholic to participate in the cruises.

This brings me to membership..... Steadily over the past years, WCYC has been growing and taking in new members on a regular basis. The reputation of our club having a solid cruising program that continually gets better and better has spread around. We are a club of boaters who actively boat, cruise and have lots of fun wherever we go. Our membership is not limited to just Dana Point, we have members from all over the area Marina Del Rey, Huntington, Newport, Oceanside and even Mexico. New memberships are primarily driven by current members who meet folks on the water and spread the good word of the club. I encourage you to continue to do so. If you happen to run into someone who is looking to join, please send them my way at [membership@westcoastyachtclub.com](mailto:membership@westcoastyachtclub.com)

Please send any potential member candidates my way and feel free to send a message any time if you need me to connect, answer any questions, etc.

We do have a celebration of a new Membership, Kevin and Renee Hampton. They joined over the Thanksgiving - Christmas Holiday time frame after having attended the required functions with WCYC. They are the proud owners of a Luhrs that is kept in Dana Point Harbor. We look forward to them joining us as members for this upcoming cruising and club season! Welcome Kevin and Renee!

I look forward to working with you all and let's have a great 2023 boating season. See you on the water!

## LETTER FROM THE EDITOR STEVE FIORILLO

---

Hello All:

I'm always looking for content for the Binnacle, so anything you'd like to share with the membership that's boating related please send it my way.

If you're not aware, we also have a Facebook group that's been active for several years, <https://www.facebook.com/groups/448832008534519>. This is a private group for members only, so if go to this page and request membership I'll add you in ASAP. Or you can send me your Facebook account and I'll do it that way.

This group, as with the Binnacle, can be used to share your photos, trip journals, etc, but also any suggestions for contractors (upholsterers, boat cleaners, mechanics, etc), as we're all looking for "that guy".

Any contribution to the membership that is more real-time should be posted to our FB group so we all see in a timely manner.

Please let me know if there's any questions or concerns.

Regards,  
Steve Fiorillo

## MEMBER LETTERS

### Letter From Steve Fiorillo

Ahoy All! As some of you may know I'm a member of the USCG and I manage the VSC function for the Dana Point Flotilla.

I'm working with Division to obtain all the proper publications and 2023 VE Decals so we can start examining vessels as soon as possible. Once we're ready to go, I'll let you all know and we can start scheduling VSCs.

If you who have never had your boat examined or if it's been a while, please don't be intimidated by the process, nor the examiners. We are not here to fail you! We want to see you pass, and will work with you before and during the VSC to make that happen.

I encourage everyone to have their vessel examined. It not only ensures your boat is safe for you and you passengers, but it could reduce some hassles if you're ever stopped by the Coast Guard.

With all that said, please reach out to me at your convenience to schedule your 2023 VSC and we'll get you on the calendar. Alternatively you may contact [danapointuscgaux@gmail.com](mailto:danapointuscgaux@gmail.com) or scan the QR code.

Also back this year are our in-person Public Education Boating Courses held at DPYC. These include general boating skills, VHF radio basics, GPS for mariners, charting, and the one that highly recommend for all first & second mates is the Suddenly in Command class which teaches spouses and family members what to do if the captain is suddenly disabled. For a full list of courses, dates & times, and to register, please scan the QR code to the right or go to <http://wow.uscgaux.info/content.php?unit=114-06-08&category=boating-courses>

Regards,  
Steve Fiorillo, USCG AUX

# A BOATER'S CHRISTMAS STORY ...

*"T'WAS THE NIGHT BEFORE CHRISTMAS....*

*and all through the boat, The bilge pumps were hustling to keep us afloat. The children were nestled all snug in their berths, we sleep here most nights to get our money's worth.*

*As Ma read Jackie Collins and I guzzled my beer, she said "You've had enough, now come to bed now my dear."*

*Then out on the dock there arose an uproar, as I reached in the Igloo to get just one more. So up went my head out of the hatch, though I should have thought first to undo the latch.*

*I saw stars for a moment, and as quick as a blink, my wife yelled, "See, you've had too much to drink!"*

*The moon on the water lit the marina up bright, which was good since the kids had lost my flashlight.*

*Then what with my wondering eyes should I see, but a fat, fuzzy old guy in a Bayliner Capri.*

*Instead of an outboard hung on the rear, tied to the bow were eight tiny reindeer. More rapid than Reggie, these coursers they flew, and on each of their hoofs was a Topsider shoe.*

*With crashing and bashing and banging and knocking, I knew in an instant they must be docking. "No Dasher! Hold it, Dancer! Damn you Prancer and Vixen. Stop, Comet! Grab a line, Cupid! Get bumpers, Donner and Blitzen!*

*Look out for that boat! Watch that seawall! Now fend off, fend off, fend off all!"*

*He was dressed in a red cap ringed with fur trim, along with a Speedo that covered just a fraction of him.*

*I was shocked and astonished. What could I say? I also go boating dressed exactly that way.*

*He then grabbed a bag, a bulging huge sack, and hoisted it up, up onto his back. He also had sponges and a mop in his grip, as he waddled his way over to my slip.*

*He said "My name's Nick, and my friend I can tell, that your gel coat needs buffing and your teak looks like hell. Your vinyl needs cleaning, your lockers arranging. Your holding tank pumping, and your oil a-changing. You've put these jobs off for too long and you know it. So here's all that you need, this time don't you blow it."*

*Then as quick as he came, he was back on his boat. His reindeer revving and eager to tote. "Merry Christmas!" he called as they cruised through the night. "And regarding the beer Joe, your wife, she was right."*

**THE END**

*Compliments of Rear Commodore, Tom Rasulo*

## 2023 USCG Auxiliary Vessel Safety Checks Flotilla 06-08 – Dana Point

*The following are the current 2023 guidelines allowing the CG AUX to conduct VSCs while conforming with the current social distancing restrictions. However, as with all COVID restrictions they are subject to change.*

The new VSC guidelines include:

- As much as possible the exam should take place in the open air, however per the owner's permission, the examiner can now board the vessel to examine those items that cannot be brought topside
- One examiner per vessel
- Upon request, the examiner can wear PPE

The CG AUX also have several resources where you can conduct a virtual VSC and prepare your vessel for the safety check.....
