LETTER FROM COMMODORE DONNA GROVES

Ahoy and Happy New Year!

Welcome to the 2024 Season with WCYC. I am happy to say I will be your Commodore this year and honored to serve all of you. I am so excited to let you know the new things we will be planning for the upcoming year. If you have not had a chance to look at the 2024 Calendar yet, we will be adding several events. We are bringing back the Poker Run, adding a New Year Dock Party Brunch, BBQ, Fishing Tournament, and so much more. Your board is working hard to make sure you all have fun with WCYC.

I would like to thank Tom and Karen Rasulo for the wonderful Change of Watch Ceremony. It was a great way to honor our past Commodore Mindy Sicard. For those of you who could not make it, the food and service were spectacular, company always good and our ship store had great items to purchase thanks to Tammy. I also would like to personally thank our Jag Richard Hepner who always puts so much effort into making sure we stay in line with tradition and making it a great transition for all.

Vice Commodore Tom Rasulo has some great cruises planned for the 2024 season. I know we have a lot of past Captains participating along with some new Captains who are going to really make these cruises fun for everyone. I hope everyone can join in.

Brian Randall, who is our new Rear Commodore and in charge of our dinner events during the off season, has chosen some great local restaurants. He and Marji have chosen some new restaurants for us all to try and picked great menus for these events. They will also be in charge of some of our land events. Their first event is January 6th, which is a New Years Brunch bringing the new year in with a dock party. We already have over 30 people coming. If you have not signed up it is a PJ party (or not), and we will be serving Breakfast, Bloody Mary's, and Mimosa's. The first nighttime event will be a Valentines Day Dinner at Jack's restaurant in Dana Point. Look for Brian's letter in this Binnacle for more details. We hope to see you all there.

John Kossa who is staying on as our Fleet Captain will be in charge of the Famous Tiki Regatta again this year. He and his wife Crezlun always do such a great job and we are so happy they will continue. John will also be in charge of the Poker Run along with our first ever Fishing Tournament. It will be a one-day event, but I know it will be a lot of fun. Stay tuned for the details.

If you know anyone that would like to come to one of our events as a guest and possibly join our club, please feel free to reach out to our new Membership Director Sheri Meehleis. We always love adding new members to our membership who have the same interest we all do... boating.

I would also like to take this time to thank all the Board members past and present for the volunteer time and effort they give to this club. It does not go unnoticed.

Cheers to the 2024 Season. I am looking forward to new adventures, seeing old friends, meeting new friends, and creating new memories.

LETTER FROM VICE COMMODORE TOM RASULO

Happy New Year!

This, being the first time I write you as you Vice Commodore, is special for me. I'm so happy to report that we have a VERY robust activities scheduled for 2024. Be SURE to read it below. I am still very committed to getting our newer members involved in doing their part to volunteer for some kind of event. It's how our club stays so vibrant and fun. New people bring new experiences and ideas.

Case in Point: For this upcoming year Glenn and Astrid Ashworth will Chair the Newport Marina Lighthouse cruise. They have selected Linus and Lynette Brinkis as their Co-Chairs. Many thanks to both couples. Some very creative ideas are already coming out of this group. So far this one will feature dinner on the dock, a dingy event, and even a CASINO NIGHT! This event was so well attended last year that we've reserved the whole marina just for WCYC. It's nice to step off your boat onto the dock and to have shore power and water for the whole weekend on this cruise.... Very civilized! There's only 23 slips so please plan this as your shakedown cruise for April 5-7. We need to sell out the marina.... (so we can let our hair down in private)

For some MORE new member participation I just learned Gary Champlin and Estella Leon have been kind enough to volunteer to run the Newport Raft up later in the season on June 7-9. We are still looking for a Co-Chair for that one so feel free to put YOUR NAME in this blank _____ to assist them. This too, is traditionally well attended and fun, and may even have live music again.

While not new members, our JAG, Richard Hepner and his bride Susan have volunteered to Chair our last cruise of the season to Long Beach where we will have their long dock and, thus, shore power again. These folks have chaired this cruise in the past and know the ropes so, if you'd like to learn how it's done well, volunteer to be their Co-Chair on October 18-20

Looking forward to a great year on the water with WCYC.

Tom Rasulo
Vice Commodore

LETTER FROM REAR COMMODORE BRIAN RANDALL

Greetings Everyone,

I hope you all had a wonderful holiday season. I can't believe we are in January! This is my first message as Rear Commodore and as part of the role, I oversee dinners and various activities on the water.

It has been fun running around with Marji, trying out new restaurants for potential locations for our events and sampling what they have to offer. I think I have gained 10 pounds just trying out all of the culinary delights that we have been experimenting with!

Here are the plans for a few of the upcoming events!

January 6th - 10:30 am- We will be kicking the year off with our New Years Brunch Dock Party in Dana Point Harbor. We have had a great response to the Evite that was sent out and have about 40 guests attending. It should be a great time catching up and hearing of everyone's holiday stories. Please check the evite for additional news and details for the event. It's next weekend!!

February 10th - Valentine's Dinner at Jack's Restaurant in Dana Point. We will be having cocktails on the side patio at 5:30 followed by a seated dinner at 6:00pm in our private room. The menu is looking amazing, and the service at Jack's is outstanding. It should be a fantastic romantic night.

March 9th - St Patrick's Day Dinner at Paddy's Starion in San Juan Capistrano. We are scheduled to have live music and amazing food and a festive atmosphere. The location is constructed of old rail cars and gives quite the European experience.

All of the event information this year will be going out via the Evite system. Please make sure that membership has your current email so that we don't miss anyone.

Marji and I are excited for this year's activities and if you ever have any ideas or suggestions, please reach out. We are always up for some creativity.

Have a wonderful and safe New Year and I look forward to seeing everyone at the Brunch on January 6th!

LETTER FROM MEMBERSHIP SHERI MEEHLIES

Greetings and Best Wishes for a Happy New Year!

I hope you all had a grand Holiday season! I'm so honored to have been asked to head up this important committee as I'll be working with an excellent team, including my predecessor Brian Randall, who did an outstanding job promoting our club as Membership Chairperson.

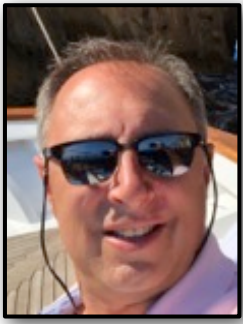

For those of you I haven't had the privilege of meeting, I'd like to introduce myself. I've been a member of WCYC for several years and am an avid boater. My boating "life" began back in 2005 when I joined my family on the "Baja Ha-Ha", a cruising rally from San Diego to Cabo. We sailed down on a Beneteau Oceanis 40 named "Hoofbeats" and had a very exciting time. That experience convinced me the cruising life was for me! Over the years I've been up and down the coast and over to Catalina more times than I can count, as well as several long distance boat deliveries, the longest from San Diego to El Salvador. This past August, my significant other, Gary Olson and I sailed our "new to us" boat, a Beneteau Oceanis 41 named "Te Tiare" from San Francisco to Dana Point. Between the two of us we've covered many miles on the water and have owned over 30 vessels...monohulls, trimarans, catamarans, and power boats. Most of them belonged to Gary, who I am convinced has a certifiable boat addiction! We have lots of escapades we'd love to share and look forward to the next 12 months creating new adventures and memories with all of you.

Our first event this year is the Commodore's New Years Brunch on January 6th, from 11 am to 1 pm on the Commodore's Dock in the newly reconstructed East Cove, Dock #6, Slip #74. This event will be an outstanding opportunity to garner member interest as the docks are full of cruising boats new to the Harbor.

As your Membership Chairperson I recognize that being a "cruising club" requires unique approaches to attract interest. I commend our new Flag Officers for their vision to organize our first annual WCYC Opening Day Parade during the Danalina Raft Up, the weekend of May 3rd-5th! We're sure to catch the interest of boaters in the Harbor when they see the enthusiasm and camaraderie that our cruising club offers.

West Coast Yacht Club members are the greatest ambassadors to connect with new cruisers, so please...continue to do what you do best by talking up the best cruising club on the West Coast! Hopefully, 2024 will be a record year for welcoming new members. Please send contact information for any potential member to me via email at membership@westcoastyachtclub.com or text me at 949-220-6214.

LETTER FROM THE EDITOR STEVE FIORILLO

Hello All:

I'm always looking for content for the Binnacle, so anything you'd like to share with the membership that's boating related please send it my way.

If you're not aware, we also have a Facebook group that's been active for several years, <https://www.facebook.com/groups/448832008534519>. This is a private group for members only, so if go to this page and request membership I'll add you in ASAP. Or you can send me your Facebook account and I'll do it that way.

This group, as with the Binnacle, can be used to share your photos, trip journals, etc, but also any suggestions for contractors (upholsterers, boat cleaners, mechanics, etc), as we're all looking for "that guy".

Any contribution to the membership that is more real-time should be posted to our FB group so we all see in a timely manner.

Please let me know if there's any questions or concerns.

Regards,
Steve Fiorillo

Letter From Steve Fiorillo

Ahoy All! As some of you may know I'm a member of the USCG and I manage the VSC function for the Dana Point Flotilla.

I'm working with Division to obtain all the proper publications and 2024 VE Decals so we can start examining vessels as soon as possible. Once we're ready to go, I'll let you all know and we can start scheduling VSCs.

If you who have never had your boat examined or if it's been a while, please don't be intimidated by the process, nor the examiners. We are not here to fail you! We want to see you pass, and will work with you before and during the VSC to make that happen.

I encourage everyone to have their vessel examined. It not only ensures your boat is safe for you and you passengers, but it could reduce some hassles if you're ever stopped by the Coast Guard.

With all that said, please reach out to me at your convenience to schedule your 2024 VSC and we'll get you on the calendar. Alternatively you may contact danapointuscgaux@gmail.com or scan the QR code.

Also back this year are our in-person Public Education Boating Courses held at DPYC. These include general boating skills, VHF radio basics, GPS for mariners, charting, and the one that highly recommend for all first & second mates is the Suddenly in Command class which teaches spouses and family members what to do if the captain is suddenly disabled. For a full list of courses, dates & times, and to register, please scan the QR code to the right or go to <http://wow.uscgaux.info/content.php?unit=114-06-08&category=boating-courses>

The following are the current 2024 guidelines allowing the CG AUX to conduct VSCs while conforming with the current social distancing restrictions. However, as with all COVID restrictions they are subject to change.

The new VSC guidelines include:

- As much as possible the exam should take place in the open air, however per the owner's permission, the examiner can now board the vessel to examine those items that cannot be brought topside
- One examiner per vessel
- Upon request, the examiner can wear PPE

The CG AUX also have several resources where you can conduct a virtual VSC and prepare your vessel for the safety check.....
