## LETTER FROM COMMODORE DAVE MONK

---

Ahoy WCYC members,

We are back in the swing of things – about 90% normal I would say!!

Oceanside was a fabulous cruise with great weather, a really fun group with plenty of goofy games (with the Dockside Olympics!), great meals, loads of cocktails, and a lot of good comradery! Congrats to Natalie and Monique who really put the whole thing together! It was good to also see the restaurants busy and lots of people milling around.

The harbor here at Dana Point has also been a lot busier with plenty of opportunities for impromptu dinghy gatherings and parties on boats. Its so good to see everyone enjoying their boats – look out for the new WCYC Stickers on members boats – Reel Nauti has hers flying proud (great job Tom Rasulo)!

Another fun event we had in June was supporting the DWYC Charity Regatta where Steve Fiorillo organizes (and is chief cook) cooking the racers their breakfast – huge success flying the WCYC flag and making new friends. I certainly want to recognize Steve for so expertly managing this annual event!

I won't delve too deeply into the hottest topic we currently have on our minds and that is the letters we have all received regarding the proposed new slip fees. I will however say that we should all be engaged and contribute with the various advocacy groups such as the Dana Point Boaters Association who are just one group attempting to address this issue. Look for more communications from multiple sources providing commentary and proposed actions in which we can all participate.

Onto better topics – our membership continues to grow at a very encouraging pace with the board confirming several couples at each of our monthly board meetings. Welcome to you all and hope to see you at our upcoming events.

Talking of events – the Cherry Cove Cruise (July 16<sup>th</sup> – 18<sup>th</sup>) is just around the corner and is being hosted by two of our newest members, Chip & Valerie Riddle and Steve & Sondra Harrison! The evite should be going out soon so please RSVP as soon as possible so we can provide our cruise captains with a good estimate of the numbers. This would also be a good time to apologize to some of our newer members who did not receive the Evite to Oceanside due to an issue with the distribution list – this is being addressed in our new Evite!

Plenty of events coming up so please be sure to review the Binnacle for news and dates!

See you all soon,

“ Stay Safe & Healthy and Fair Winds & Following Seas”.

Commodore

## LETTER FROM VICE COMMODORE MIKE SANDLER

---

Greetings WCYC members,

Our third cruise for the 2021 season is in the books. Oceanside was a blast, and the cruise captains Drew, Natalie, David, and Monique did a wonderful job. We had a total of six boats and plenty of “drive downs” made it as well. A sake tasting party kicked off the event on Friday and Ed Sicard had some fantastic selections. Mindy Sicard kept things going on Saturday morning with her world-famous Buffalo Milks, which everyone enjoyed. Please see the full cruise report submitted by the cruise captains below.

Our Cherry Cove cruise is up next, and our cruise captains are our newest members Steve & Sondra Harrison, and Chip & Valerie Riddle. They have already started their planning of activities and have assured me we are all in for a great time. Watch for the Evite coming soon.

That is all for now.

Vice Commodore

## LETTER FROM MEMBERSHIP TOM RASULO

---

Ahoy Cruisers!

Thanks to all those who have referred some very pleasant potential members. You are keeping me pretty busy answering questions, sending applications and collecting checks! It seems the value of a WCYC membership is easily apparent and sells itself!

On our ride to the Oceanside Cruise Commodore David spent just a few magic minutes on the gangway with a dock mate and his wife. They both asked for an application right then and there! They called a few days later to ask where to send their check. Nice going David. Also, during the cruise another couple handed me cash as this was their second event and they wanted to be sure they get voted on during our next meeting of your Board of Directors. Thanks for making my job as your Membership Chair an easy one.

After waiting a few months our WCYC Peel and stick burgees have arrived. Every boat on the Oceanside cruise wanted one or two. Pictured below are both sizes. One small one for your car window (\$5) and the larger one (\$10) for your boat. Some even purchased some for their tenders! Show your WCYC Pride! We will have them for sale at the Tiki Regatta on 7/10 and on the Cherry Cove Cruise from 7/16- 7/18

# LETTER FROM THE EDITOR STEVE FIORILLO

Hello All:

As Dave mentioned in his letter, some of our WCYC Staff & Board who were available, graciously volunteered their time to cook breakfast at Dana West Yacht Club for their Annual Charity Regatta.

This is an event that our staff & board volunteer our time for every year as a way to give back, not only to the community, but to DWYC as appreciation for the reciprocity they grant us and their support of our club.

Thanks again to Dave Monk, Mike Sandler, Cindy Fiorillo, and Ed & Mindy Sicard. Great job!

Regards,  
Steve Fiorillo

# June Cruise Report- Oceanside

By Monique Monk

As we know, summer is here and we were ready to get our cruise activities on! We want to celebrate the upcoming Olympic Games in Tokyo with a nod to this beautiful country.

The boats starting arriving at the Jolly Roger dock in Oceanside around noon on Friday. Big Wally was the first to arrive followed by Sandbar, Real Nauti, Sadie Mae and the Harrison's It's About Time. The Riddles joined us with their boat on Saturday afternoon. We had weekend guests including Joseph on Sandbar and Ryan on Big Wally.

We enjoyed a nice afternoon on the dock and joined up to hold our Welcome to Tokyo and Opening Ceremonies- Appetizer and Sake Tasting kick-off party. We had some fabulous zensais including sushi, spring rolls, ribs and chicken wings. Ed and others brought some exciting sakes to try.

# June Cruise Report- Oceanside

By Monique Monk

We topped off the night with a karaoke sing along, Mindy, Natalie and Monique got their lead singer groove on while Steve joined in with his harmonicas. ....

Mike, Kevin, Ryan and David tore the mic away from the girls to sing a few of their own....

# June Cruise Report- Oceanside

By Monique Monk

The next morning we offered a Morning After, Tokyo style. Natalie bought some lovely Japanese cookies and tea cakes. We repurposed the sake for Bloody Mary's and popped the bubbly for mimosas as well as Japanese teas for those that needed a little pick me up for the morning.

Many took advantage of the lovely weather for morning paddles and walks in the harbor. By late morning, our group grew much larger with those traveling by land to join us on the Oceanside docks. Del, Barbie and Stacy drove down as well as past Commodore KC and Jill. Guests Bill and Bonnie come down to spend the night on Sadie Mae. With growing crew, Mindy got out the blender and made the best Buffalo Milks, reminiscent of the island. A few took a little siesta in the afternoon while others continued to party throughout the day.

# June Cruise Report- Oceanside

By Monique Monk

We brought the group together Saturday late afternoon for Let the Games Begin for fun, carefree Olympic style relay games. To kick off the games, Big Wally brought out the sushi Jell-O shots, a huge hit! After the warm up, we divided the group into three teams and the madness ensued with curling, water balloon toss, pass the beach ball, chopstick cookie race and a very wet over/under games. The scores were tallied and all waited with anticipation until dinner for the winners.

Then it was off to the Oceanside Grille for cocktails and dinner. Some dingied and others walked....

# June Cruise Report- Oceanside

By Monique Monk

We had a few cocktails while we waited for our table and were joined by our newest members Eric and Caroline TenEke. After we placed our dinner orders, David, our Commodore offered his welcome to members, guests and our past commodores and wished all those born in June a happy birthday.

He thanked the cruise captains and shared the upcoming cruises and events including the Cherry Cove Cruise, the world famous Tiki Regatta and the Olympic Pub Crawl. Shockingly, no Saw Horses were awarded but David did dunk Monique into the water, *twice!* We may want a recount on that Saw Horse nomination!

# June Cruise Report- Oceanside

By Monique Monk

The wait was finally over and we held the Closing Ceremonies by awarding medals to the teams with Gold going to Team #3 with Sheri, Valerie, Ryan and Ed.

Some had to get out early on Sunday morning, others laced on their tennis shoes for a brisk walk around the harbor followed by a fabulous brunch including more mimosas and Bloody Mary's. All got off the docks without a hitch and made it to their home port safe and sound. Thank you all for a wonderful time.

Can't wait until Cherry Cove! More Buffalo Milks please. ☺

### Letter From Steve Fiorillo – VHF Automated Test Service Discontinued

Ahoy All!

I'm sure you're like me and that before heading out on a long journey with our boat I like to confirm that our VHF radio is in working order, and what better way to do this but with a radio check, right?

Well if you're heading out alone there's no one to call but other boaters or the CG. Unfortunately CH16 should not be used for radio checks, and rarely does anyone ever answer on 9 or 12. So where does that leave you?... CH27 of course and the automated radio check service. Well no more!

The automated service on CH27 was provided by BoatUS not the CG, and unbeknownst to me and perhaps you, was discontinued back in Oct of 2020, which explains why no one responds on that anymore either.

So what's the alternative? Well the CG suggests performing a radio check by testing your DSC function (if available) on your VHF radio.... See *USCG MSIB 20-20: Performing a VHF Marine Radio Check*, <https://homeport.uscg.mil/Lists/Content/DispForm.aspx?ID=64920&Source=/Lists/Content/DispForm.aspx?ID=64920>

Personally this seems a little dicey, because if it's not done correctly you could end up actually sending a distress call when there isn't one.

So for me, I guess I'll just keep banging away on CH9/12 and hope for the best.

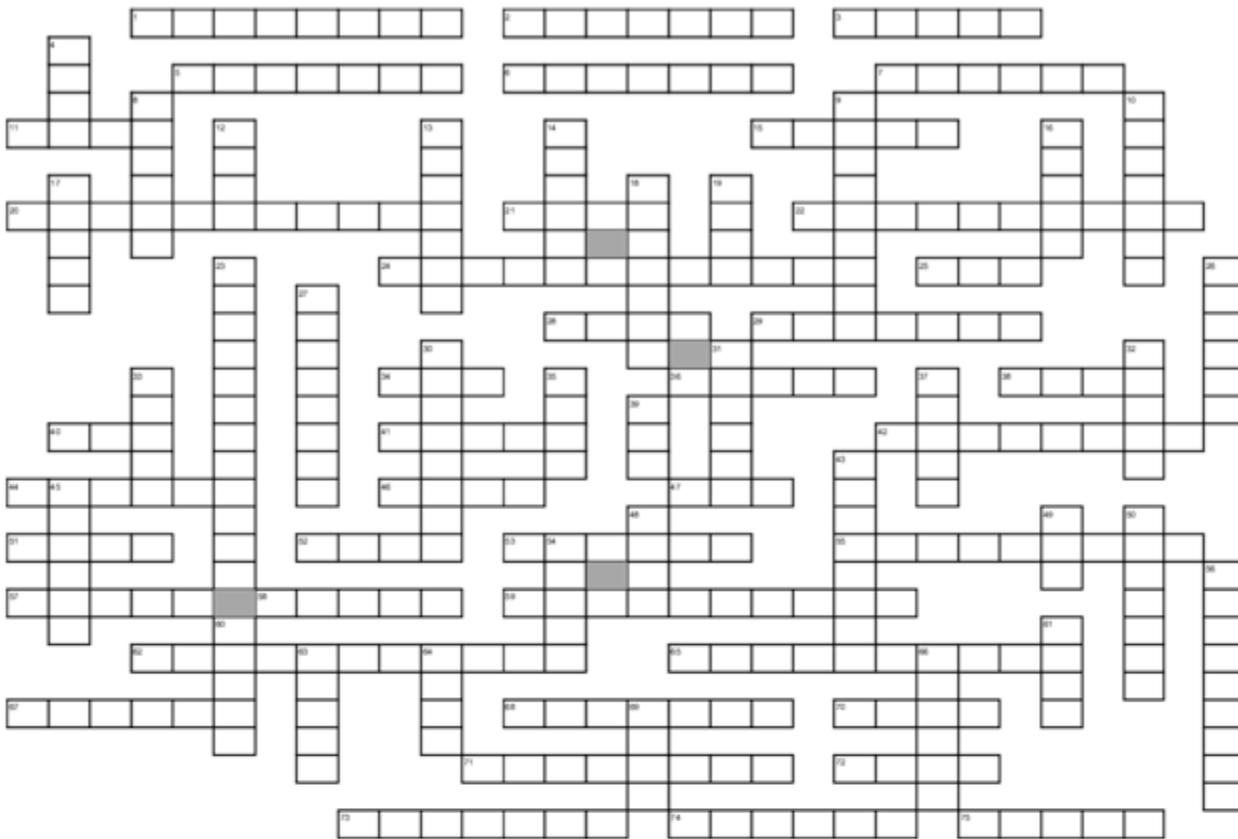

Regards,  
Steve Fiorillo

### USCG Auxiliary Vessel Safety Checks Flotilla 06-08 – Dana Point

*As April 12, 2021, the CG Auxiliary has moved into a new phase to align with the state's current risk level.*

*The following are the current guidelines allowing the CG AUX to conduct VSCs while conforming with the current social distancing restrictions. However, as with all COVID restrictions they are subject to change.*

The new VSC guidelines include:

- As much as possible the exam should take place in the open air, however per the owner's permission, the examiner can now board the vessel to examine those items that cannot be brought topside
- One examiner per vessel
- Exam to be completed in 30 minutes
- Examiner and boat owner are to wear PPE and maintain social distancing of at least 6 feet

The CG AUX also have several resources where you can conduct a virtual VSC and prepare your vessel for the safety check.....
