## LETTER FROM COMMODORE MIKE SANDLER

Greetings WCYC Members,

It seems to me that if you join a cruising yacht club such as ours, that you would participate in the monthly cruises. Well, our second cruise of the year, which was to Avalon, did not disappoint. We had a spectacular turnout, and a great time was had by all. Brian Randall made the crossing in Aquaholic, which many of you know is an open bow "Boston Whaler" type of boat. Major shout out to his first mate Marji Weber for bravery. I am sure everyone will enjoy looking at the pictures and reading the Cruise Captain's report below. Our cruise and co-cruise captains, the Sicard's and the Babcock's really did a great job, and the Saturday brunch on Sadie Mae was one of the best.

Our next adventure is back to the island, but to the OTHER end. Two Harbors will be on our radar and compass headings. Our cruise and co-cruise captains for this outing are the Hepners and Rasulos respectively. As everyone knows, Richard Hepner is our JAG, so everyone better be on their best behavior. The evite has already been sent out so please respond accordingly. Please contact vice commodore Mindy Sicard if you have not received it.

The famous Tiki Regatta is Saturday, June 25th and our Fleet/Port Captain, John Kossa, is still looking for sailboat owners to participate in the race, and WCYC volunteers to help with this traditional event. Please reach out to John and let him know how you can help.

Our secretary Monique Monk has released to all members the draft copy of the "Updating of our WCYC Bylaws" for everyone to review and give feedback. All suggestions are due by May 31<sup>st</sup>. The board of directors will review all feedback and finalize the updating of our Bylaws at our next board meeting.

Did you know that we have WCYC boats docked in many different marinas around Southern California. San Diego, Dana Point, Newport Beach, Huntington Harbor, Alamitos Bay, Shoreline/Long Beach, and San Pedro. Let's all represent and proudly fly our WCYC burgee's. We also have WCYC burgee decals available for your cars, boats, dinghy's, paddle boards, and water docks. You may contact our ships store director Tammy Huntley to order any of these items, as well as other WCYC clothing, hats, and accessories.

Well, that's all for now, and I hope to see everyone at Two Harbors.

## LETTER FROM VICE COMMODORE MINDY SICARD

---

Dear Members,

West Coast Yacht Club kicked off their 2022 cruising season to Catalina Island. Lots of fun was had by all. Please read my cruise report below for all the fun details and photos of our time in Avalon.

In June, we're off to the west end of the island. I hope everyone is able to join us for our next cruise, "The Adventurers", to Two Harbors on Friday, June 10<sup>th</sup> – Sunday, June 12<sup>th</sup>. Cruise Captains, the Hepner's, along with Cruise Co-Captains, the Rasulo's, have a lot of fun planned for everyone.

Please remember to wear your name badges to all our events.

Looking forward to seeing everyone once again,

Mindy Sicard

## LETTER FROM REAR COMMODORE DONNA GROVES

---

Ahoy Cruise Members,

May was filled with lots of activities. It all started with the fun cruise to the Island...

We had such a great turn out. Some of us made journey early, arriving on Wednesday, which turned out to be a mistake. Rough seas and high winds that didn't stop until late that evening, made for a tough crossing and challenging mooring, but as always our captains got us their safety. Thursday brought us better weather and was beautiful thru Saturday. We could not ask for a better weekend and it felt like summer FINALLY. As the boats departed on Sunday, we decided to take advantage and stay a few more days. A couple other boats did the same, so we had some friendly conversation, great food, and lots of laughs.

Being a Rear Commodore I was invited to attend the DWYC Opening Day. They had several boats in the parade and it was fun being on the sidelines watching. It was also fun to do my first opening day as a flag officer representing WCYC. So proud of our Cruising Yacht Club.

Cannot wait for the next cruise. I know it will be great fun!

## LETTER FROM MEMBERSHIP TOM RASULO

Ahoy,

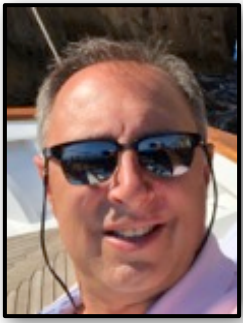

Membership in West Coast Yacht Club continues to grow. We are better positioned to add members than at any time in the past. As a matter of routine, I keep and manage a Prospective Member List or PML. Since I began Membership a few years ago that list has never been longer. The PML now has 16 names on it. All thanks to YOU, our members. All but two names came from existing member referrals, with two others coming from our website, where I'm reasonably sure one of our members simply told them to log on to [westcoastyachtclub.com](http://westcoastyachtclub.com). Thank you for doing your part to keep our club growing with committed active Sailors and Power-boaters.

The May Cruise to Avalon was so fun. We had great weather and no trouble with getting a mooring. The meals and activities continue to bring our group even closer together with new friends and great tall sea stories. We were having so much fun we were unable to leave, so we added on two additional days. After we post those photos you have much to discuss with prospective members.

Next up is Two Harbors. What a great destination! We have some fun things planned, so keep watch for items in the Binnacle, the web site, and for an Evite coming soon.

Tom Rasulo  
Membership Chair  
[Membership@westcoastyachtclub.com](mailto:Membership@westcoastyachtclub.com)

## LETTER FROM THE EDITOR STEVE FIORILLO

---

Hello All:

I'm always looking for content for the Binnacle, so anything you'd like to share with the membership that's boating related please send it my way.

If you're not aware, we also have a Facebook group that's been active for several years, <https://www.facebook.com/groups/448832008534519>. This is a private group for members only, so if go to this page and request membership I'll add you in ASAP. Or you can send me your Facebook account and I'll do it that way.

This group, as with the Binnacle, can be used to share your photos, trip journals, etc, but also any suggestions for contractors (upholsterers, boat cleaners, mechanics, etc), as we're all looking for "that guy".

Any contribution to the membership that is more real-time should be posted to our FB group so we all see in a timely manner.

Please let me know if there's any questions or concerns.

Regards,  
Steve Fiorillo

# May's Cruise to Avalon

Cruise Report by Mindy Sicard

West Coast Yacht Club kicked off their 2022 cruising season to Catalina Island. Lots of fun was had by all.

The weekend began with a Friday night pub crawl around the charming town of Avalon. Everyone met at the popular Descanso Beach Club for delicious drinks and appetizers. It was a beautiful warm day, so it was great to be outside.

# May's Cruise to Avalon

Cruise Report by Mindy Sicard

From there, we walked to what we thought was the bus stop for the shuttle bus to The Cove Bar. After waiting a while, we discovered the shuttle bus stop was actually down the street and around the corner. We found the van with no driver....hmmm.... so off to Plan B...Luau Larry's.

It was a great time, but no Wiki Wackers from our group.

# May's Cruise to Avalon

Cruise Report by Mindy Sicard

After Luau Larry's, most of us gathered at the El Galleon for a bite to eat; thought that would be a good idea since we were only half way finished with our crawl. The service was great and they were able to accommodate all of us at one large long table.

From there, it was off to the Marlin Club. A great place for lots of fun and laughter; could it be their stiff drinks?

The WCYC group began to go their separate ways; some faded away towards their much-needed beds and others were determined to complete the crawl to the final destination...The Chi Chi Club. If you missed the year 1984, the Chi Chi Club has some great reminders.

I'll just leave it at that.

# May's Cruise to Avalon

Cruise Report by Mindy Sicard

Saturday morning everyone met on the Sadie Mae. We had 100% participation at the eye opener breakfast. Hopefully, no one left hungry or thirsty. Commodore, Mike Sandler gave his monthly speech, which having the speech on the boat worked out great.

# May's Cruise to Avalon

Cruise Report by Mindy Sicard

The rest of the day was free for our members to do as they please. Some went on the scheduled hike to the Botanical Gardens, others cruised around on their dinghies. Some really cruised around on their dinghies and ended up at Two Harbors.

In the evening, we gathered for dinner at the Bluewater Grill. Because they don't take reservations, unfortunately, we were all scattered about. Still feel really bad about the situation. Guess we know for next time.

# May's Cruise to Avalon

Cruise Report by Mindy Sicard

Sunday morning was time for departure to the mainland...wait...where is it?

For those who had to make the crossing found it to be undesirable with the very dense fog. Good thing boats have radar. Glad to hear everyone made their way back safely.

It was a real fun cruise and always so nice to get to know everyone even more. On to the next ...
