## LETTER FROM COMMODORE MIKE SANDLER

---

Greetings WCYC Members,

Welcome to September everyone! As summer is slowly coming to a close, and our cruising season is winding down, I look back at all the fun we have so far this year. Our August Newport Beach Raft up cruise was incredible. The Rasulo's and the Threlkeld's did a fantastic job and everyone who showed up seemed to have a really great time. Richard Hepner put together another wonderful video of the weekend, and please enjoy the cruise captains report and pictures below.

Many of us are heading to Mexico this month for our first ever commodore's cruise, ON A CRUISE SHIP. Mindy Sicard and Donna Groves have put together a fun packed 3-night adventure, which I am sure will be a blast for everyone that is going. Rumor has it that David Monk is going to try to get into the wheelhouse and navigate the ship. This could get very interesting because I know he has ordered the drink package!

We have two cruises planned for October so keep an eye out for the eVites which will be going out shortly. The first will be to Avalon and the second will be to Long Beach. Both are guaranteed to be spectacular.

We have many fishing boats in our fleet, and I heard that Kryptonite went out and hit it BIG. Mike Wagner and crew caught so many fish so fast, they were back at the docks by 3pm'ish. Usually, they get back way after dark. Grab Mike and ask him to tell you some fish-tails. Great job Mr. Wagner!

As I said last month, the Dana Point marina revitalization has begun. This is expected to last for several years, but as it progresses, we will start to see beautiful new docks with better power, lighting, water, and pump-outs. Every boat will be affected and will have to relocate several times; however, a better marina will emerge through all of this chaos. This revitalization project is long overdue.

Well, that's all for now, and I hope to see everyone at the October cruises.

## LETTER FROM VICE COMMODORE MINDY SICARD

---

Hello Members,

Want to give a big shout out to the Rasulos and the Threlkelds for the very enjoyable weekend in Newport Beach Harbor. They all went above and beyond in making the weekend relaxing and entertaining. Also, want to thank the Balboa Basin Yacht Club for inviting us over to their cute little yacht club for the Cowpoke and Mexican Fiesta.

It's countdown time for WCYC to board the Carnival Cruise Ship to celebrate our Commodore, Mike Sandler. So far, we have 15 people attending. We will be sure to take many photos to show just how fun we are. Who has more fun than we do? WE DO!

Save-the-Dates: WCYC will cruise to Avalon on October 7<sup>th</sup> – 9<sup>th</sup>, and Long Beach Yacht Club on October 28<sup>th</sup> - 30<sup>th</sup>. Evites will be coming out soon.

If you are interested in becoming more involved with West Coast Yacht Club and would like to serve on the board of directors, please contact me for the open positions.

Mindy Sicard

Vice Commodore

## LETTER FROM REAR COMMODORE DONNA GROVES

---

Ahoy Cruise Members,

Summer is still here, and I love it. It is so nice outside and a pleasure to spend my semi-retirement on my boat enjoying the sun during the day and the coolness of the evening breeze. I enjoy watching the kids with their parents boating, playing, and swimming. I see future boaters.

Newport Cruise looked like a tremendous success. I attended Saturday's festivities, and everyone was having fun. The floatie's were everywhere. The duo Tom got was great and boaters all around came to listen in their dinghies. We did not stay for dinner, however Mindy gave us a tour of the Balboa Basin Yacht Club's facilities. I wish we had one of those units around here in Dana. What a creative idea to make a place to hang out and enjoy their members.

Heading off to the Commodore Cruise September 9th. Looks like we are going to have a lot of fun. Then October are our final cruises, and the cruising season will be officially over. Look forward to seeing you all then.

Donna Groves

## LETTER FROM MEMBERSHIP TOM RASULO

---

Heloooooo Cruisers,

Our Cruise to Newport was great fun and very well attended with some 17 boats. Some unexpected events regarding the music occurred as our performer had a heart attack the night before and had to cancel. He later reported it to be mild and is doing well.... With the help of many were able to scramble and find another performer on super short notice. It really does take a village.

We had two potential members Bryan and Jean Chalis and his friend Brian Donlin. Both said they felt welcome and were treated well. No surprise to see checks in my mailbox. Both need only one event to be voted in by your board of directors. Thanks to all for making my job as Membership Chair so easy.

Soon you will see our latest binnacle magazine. In it will be photos of the Newport Harbor Cruise and a link to a video. Many thanks to Rick Hapner for creating it. When you talk with potential members and try to express what we are like the video might just be the perfect tool to send them. It says it all about who we are and what we do. I love being part of this group. Let's keep it growing with great new members.

Tom Rasulo

## LETTER FROM THE EDITOR STEVE FIORILLO

---

Hello All:

I'm always looking for content for the Binnacle, so anything you'd like to share with the membership that's boating related please send it my way.

If you're not aware, we also have a Facebook group that's been active for several years, <https://www.facebook.com/groups/448832008534519>. This is a private group for members only, so if go to this page and request membership I'll add you in ASAP. Or you can send me your Facebook account and I'll do it that way.

This group, as with the Binnacle, can be used to share your photos, trip journals, etc, but also any suggestions for contractors (upholsterers, boat cleaners, mechanics, etc), as we're all looking for "that guy".

Any contribution to the membership that is more real-time should be posted to our FB group so we all see in a timely manner.

Please let me know if there's any questions or concerns.

Regards,  
Steve Fiorillo

# August's Cruise Newport Beach "Cowpokes & Boats" Raft-Up

Captains: Tom & Karen Rasulo // Co-Captains: Christy & Chip Threlkeld  
Cruise Report by Tom Rassulo

## Thursday, 11 August -

After early morning dolphins chasing, Thursday arrivals included Cruise Chairs Tom and Karen Rasulo with cousins Ben and Julie Quade, Commodore Mike and Sheri Sandler, and Staff Commodore David and Monique Monk. We knew this was going to be a BIG raft-up so we set out anchors fore and aft and warned the Newport Harbor patrol of what was to come.

## Friday, 12 August -

Members began arriving early and so did the fun. Before the sun set, we had 14 boats all aligned with swim-steps side by side for easy boat hopping. That day featured swimming, dinghy tours of fabulous Newport Harbor, and possibly an adult beverage ... or two.

Cruise Report by Tom Rassulo

Each member brought fabulous, tasty hors d'oeuvres to the evening gathering. As the sky darkened, it treated us to a colorful sunset and the rising of an incredible full moon - almost as if we placed an order for it! Combined with BYOB cocktails, a great time was had by all late into the evening.

Then potential tragedy struck... I received a text message at 11:30 PM from Scott Grillo, who was scheduled to be our live music entertainment the following day, saying he'd HAD A HEART ATTACK and would not be able to make it.

Thank goodness it was mild and after a stent was installed, he was released after a few days. I promised to use him again next year.

## Saturday, 13 August –

Christy Threlkeld, assisted by Karen Rasulo, prepared and served a fabulous harbor breakfast including yummy croissants stuffed with bacon and eggs, and plenty of "eye openers".

BUT we still had a lingering problem to solve, though. WE STILL NEEDED LIVE MUSIC and had only 4 hours to figure it out. With some dumb luck and the help of my son and his industry friends, and after numerous phone calls, I found a group called Cali Conscious.

Luck was in our favor – only minutes earlier they had a cancellation and were available. Ben Quade, Rick Hepner and I scurried to the dock to meet them, loaded all their equipment and set up the stage on Miss Be Havin. Many thanks to Linus and Lynette Brinkis for allowing that. It truly took a village, but the show went on right on time. They played from 1:00-4:00 and were fantastic! Crowds gathered all over the anchorage field to hang out and listen. It was like time stopped for those hours of musical bliss.

After costume changes, we all drove our dinghies at 5:30 to be the guests of Commodore Kathy Anderson of the Balboa Basin Yacht Club. Their membership welcomed us warmly and were happy to join us for dinner. There we had delicious Mexican food from Taco Bar Catering serve over 50 people from both clubs ! Just about the time our bellies were full, I thought it might be fun to conduct a good ole country music two-step lesson. What a scream! Everyone eventually picked up on the quick-quick-slow-slow.... And the videos are priceless.

Our last night featured some drinks and members enjoying each other's company as the full moon hung over us.

This was exactly what a good raft up should be. As you speak with potential members send them the link to the video. We think it captures the essence of WCYC.
