LETTER FROM COMMODORE MINDY SICARD

Dear Members,

Hope to see you all at the Newport Cruise. Always a fun time in Newport! If you aren't able to take your boat to the cruise, you can always venture by land. Please remember to RSVP.

Some of you have asked if West Coast Yacht Club is going to do something to help and support Lahaina Yacht Club and the answer is, YES! During the Newport Cruise, you will have the opportunity to purchase tickets for a couple baskets that are going to be raffled. All the proceeds will go directly to Lahaina Yacht Club. Also, we will have a collection basket if you would like to make an additional contribution to Lahaina Yacht Club. On Saturday afternoon, we will take a group photo of us all with a special banner wishing Lahaina Yacht Club well. Hope you are able to make it.

Thank you to Donna Groves for putting together the 2nd Annual Commodore's Cruise. Looking forward to seeing everyone! Please RSVP through the Evite and contact Donna if you would like to attend.

If you are interested in becoming more involved with WCYC and would like to be on the Board of Directors, please contact Vice Commodore Donna Groves at vice-commodore@westcoastyachtclub.com

See you on the seas in 2023.

Mindy Sicard
Commodore

LETTER FROM VICE COMMODORE DONNA GROVES

AHOY,

Hope everyone survived Hurricane Hillary with no damage.

Our last Cruise to Cherry was a BLAST. Chip and Christie as always, were perfect captains. They definitely should get the Best Entertainment Award for their Murder Mystery Party. We had a talented group of boaters who could definitely be actors, who knew? Move over Brad Pitt, Mike Sandler is coming for you. Saturday morning Chip was making eggs to order, and Christie had bacon, biscuits, cinnamon rolls, Blood Mary's, Mimosas, and it was all great. Lunch was a pop-up surprise as Tammy and Rod hosted everyone on their boat for pork sandwiches and their special Mai Tai's. Then we all just relaxed on the front of their boat listening to music and catching up. On Saturday night, Chip and Christie did not stop. They served Jambalaya with Shrimp and Rice, and it was delicious. The Actors then went into motion to find out who the killer was. Some of us topped the night off by dancing at the bar with a night cap. Read more about the cruise in Christie's Cruise Report below.

Our next cruise to Newport looks like our largest group of boaters ever. We are sold out on the slips at the Marina Lighthouse and what a dock party we will have. The eVite with all the specifics has already been sent out so if you did not get it, please let me know. They still have 3 moorings right in front of the marina to rent, so any last-minute boaters that want to join in on the fun, contact me. The Captains, Rasulos and Hepners have a fun Sports Theme weekend planned for all of us. Do not forget to wear your favorite team shirt and decorate your boat accordingly. The weather looks like it is going to be beautiful so bring your floaties and chairs.

We sent out the eVite for the Commodore's Cruise to Ensenada. If you have any questions, feel free to contact me. It was a lot of fun last year and we all had a really good time. The boat, food and entertainment were great.

Final cruise for the season will be in Long Beach hosted by the Kossas. They always do such a great job, and their cruises are a lot of fun. I hear they will be planning a spooky good time so do not miss it!

Donna Groves
Rear Commodore

LETTER FROM REAR COMMODORE TOM RASULO

Ahoy fellow members,

As chairs of the upcoming Newport Cruise together with Rick and Susan Hepner we are so excited to see you all participating. I could be wrong, but I'll bet it turns out to be our best attended EVER! Karen and I have chaired this cruise for the past three years and, yeah, there is some work to it but it's so satisfying to give back to our club members and it's so much fun.

As I cast an eye to my responsibilities next year as your Vice Commodore, I'd like to encourage ALL our members to volunteer for at least one event in 2024. It really is fun, and it takes so much pressure off those who seem to do it every year. You'll have help and plenty of it I promise. Please pitch in and do your part.

SAVE THE DATES!

Plans are underway for our last few dinners of the 2023 year:

November 11th is our Commodores Dinner to honor Mindy for all her contributions over the past several years. Dinner will be held at the Whitestone Restaurant & Bar in Dana Point and will feature a live band. AND we get to dress up if we wish!

December 9th Is our Change of Watch Holiday Brunch to welcome our new Commodore and promote our flag officers to their new positions. This is always a favorite as it features our annual awards.

Till next we sail together,

Tom Rasulo
Rear Commodore

LETTER FROM MEMBERSHIP BRIAN RANDALL

Greetings from your Membership Chair!

I hope you all are doing well, and for those of you who attended the Cherry Cove Cruise I hope you all had a great time and had smooth seas coming home. It was great to see some members both old and new in attendance. In fact Robin Levinson, a brand new member made the journey and it was her first cruise ever!!!! A big shout out to Chip and Christie Threlkeld, they did an amazing job as host and hostess, and the murder mystery dinner was a huge success.

As for new members and potential members, we have some new applications in for membership and we are looking forward to the potential members to participate in upcoming events!

Potential member - Victor Olechno owner of a Maxum 30' and is kept in Bermuda Dunes..... You may recognize Victor as he owns the Marina Handy Man company and may recognize his PT cruiser on Golden Lantern heading down to the harbor. We look forward to seeing him at upcoming events!

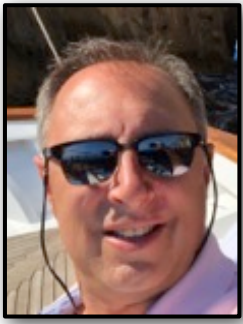

Summer is moving along and I cannot believe it is already September! Our next cruise is to Newport and is sure to be one for the history books. I will have plenty of membership applications with me at the Newport cruise. If you are going, and you know of someone that may be a good candidate for the club, bring them along and let them see what we are all about! We constantly get more and more interested parties considering our club during these events. It's always a fantastic sight to see when new boaters reach out to us during an event, either on shore or on the water, to say... "What are you guys all about?.... How can I get involved with this?". This is where our current membership comes in. Please keep an ear and eye out for people who have a boat (power or sail) and would love to participate in cruising. Maybe its someone new to boating, or maybe it's someone who would like to cruise more but feels more comfortable going with others. If you do run into someone who may be a potential member, please give them our information.

Again, If you are going on the Newport cruise, the activities that are planned are sure to draw some attention, so get ready to socialize and promote the club when people stop and say "Man you guys are having a fantastic time..... What is West Coast Yacht CLUB???" - YES THAT'S YOUR CUE TO TALK THE CLUB UP!! LOL.....

As a reminder, next year both the application fee and annual dues ae increasing to \$200. The time is now to take advantage of some lower rates, so if you know someone looking to join, let's get them signed up this year!

Stay safe.... wishing you calm seas and may the wind be at your back.

Brian Randal
Membership Chair

LETTER FROM THE EDITOR STEVE FIORILLO

Hello All:

I'm always looking for content for the Binnacle, so anything you'd like to share with the membership that's boating related please send it my way.

If you're not aware, we also have a Facebook group that's been active for several years, <https://www.facebook.com/groups/448832008534519>. This is a private group for members only, so if go to this page and request membership I'll add you in ASAP. Or you can send me your Facebook account and I'll do it that way.

This group, as with the Binnacle, can be used to share your photos, trip journals, etc, but also any suggestions for contractors (upholsterers, boat cleaners, mechanics, etc), as we're all looking for "that guy".

Any contribution to the membership that is more real-time should be posted to our FB group so we all see in a timely manner.

Please let me know if there's any questions or concerns.

Regards,
Steve Fiorillo

AUGUST'S CRUISE TO CHERRY COVE

CRUISE CAPTAINS & REPORT BY THE THRELKELDS

MURDER MYSTERY

CRUISE REPORT BY CHRISTIE THRELKELD / PHOTO EDITING BY RICHARD HEPNER

Many were able to make it over to Cherry Cove early so the unofficial party started as the crew grew. Friday we went to shore for lunch then took a hike to the backside of the island.

MURDER MYSTERY

AUGUST'S CRUISE TO CHERRY COVE

Friday night, everyone arrived in their costumes with their "script" in hand and ready to start the murder mystery. The cast was the Captain and his wife, joined by several guests, and the crew onboard a yacht "setting sail for disaster".

Everyone brought appetizers and played their characters so well, there was so much going on.

The Debutante

The "doctor" was even performing some enhancements to the female guests....

AUGUST'S CRUISE TO CHERRY COVE

MURDER MYSTERY

The Plot....

The yacht was heading into a storm, so the ship's engineer called everyone up top to the muster station to prepare then suddenly the lights went out – we lost all power!

The storm got worse and there was thunder and lightning. Luckily, there were candles for everyone. Then a shriek! The captain had been murdered in the salon by a candle stick.

Everyone gathered around – we had to find out who did this! The yacht struck something and was sinking, leaving everyone to find a way to land. CUT – Act 1 over

AUGUST'S CRUISE TO CHERRY COVE

MURDER MYSTERY

Saturday morning started with the WCYC standard of breakfast with Bloody Mary's and Mimosas, bacon and shrimp had to be hidden from the yellow jackets! Rod and Tammy invited everyone over to lounge on Diadem for the afternoon to lounge.

AUGUST'S CRUISE TO CHERRY COVE

MURDER MYSTERY

Saturday evening we met at the Isthmus at the west end beach to start Act 2. After everyone washing up onto a deserted island after the last night's disaster, they were handed that night's script to finish the murder mystery. The captain's ghost had a few survival tricks for water and fire while the "doctor" was bandaging up anyone that needed it.

The final clues were discussed, it was time to vote on WHO DUNNIT, as well as the prizes before having our Jambalaya and Cajun coleslaw.

It was a lovely weekend. Special thanks to the club – everyone was so ready to pitch in and help, you guys are so awesome!

- **No New Members This Month**
- **Upcoming Coast Guard Auxiliary Classes:**

If anyone needs their CA Boaters Card (Everyone needs it by Jan 1, 2025) or just want to brush up on some skills, here' are the remaining classes for this year....

Boating Skills & Seamanship Class - \$70/pp, Book Included
Every Wednesday From Sep 6 - Oct 25, 7:00pm - 9:00pm

Location: Dana Point Yacht Club, 24399 Dana Dr, Dana Point

A comprehensive class designed for both experienced as well as those new to boating. Topics include: boating safety, knots, boat handling, radio, as well as other valuable subjects. Successful completion will earn you your CA boater card.

How to Read a Nautical Chart On Your Chartplotter - \$25/pp
Wed, November 8 & 15, 7-9pm

Dana Point Yacht Club

People are moving away from using paper charts and relying on electronic chart plotters to navigate. As chart plotters are simply electronic versions of paper charts, it is essential that you understand the information on paper charts and what all of the symbols mean. In this class we provide students with the knowledge to interpret chart contents to help them safely navigate to their destination.

You can register on-line at <https://wow.uscgaux.info/content.php?unit=114-06-08&category=boating-courses>

2023 USCG Auxiliary Vessel Safety Checks Flotilla 06-08 – Dana Point

The following are the current 2023 guidelines allowing the CG AUX to conduct VSCs while conforming with the current social distancing restrictions. However, as with all COVID restrictions they are subject to change.

The new VSC guidelines include:

- As much as possible the exam should take place in the open air, however per the owner's permission, the examiner can now board the vessel to examine those items that cannot be brought topside
- One examiner per vessel
- Upon request, the examiner can wear PPE

The CG AUX also have several resources where you can conduct a virtual VSC and prepare your vessel for the safety check.....
