LETTER FROM COMMODORE DONNA GROVES

Greetings from Dana Point,

We finished our cruise in Avalon and what a fun time we had, that's because we have the best members ever. Our attendance was crazy good. We had 17 boats signed up and a few had to back out at the last minute, but we still had a record 15 boats that came and 41 people that participated. Read all the details in our cruise report below.

Our last cruise of the season is in October, and we will be traveling to Long Beach. It's always so much fun and the Long Beach Yacht Club is so beautiful, and hospitable. The captains are the Hepners along with the Champlins and they already have an amazing trip planned. I won't give it away, but it is something we have never done before! I cannot wait. Evite coming soon and you don't want to miss it.

Shout out to Staff Commodore Mindy Sicard. She took a group of about 20 of us on an "Olympic" Pub Crawl throughout Dana Point and we had so much fun. Lots of people honking their horns, cheering us on and it was a blast. Please read her report below.

September 28th is our first ever WCYC Charity Fishing Tournament, which will be another great event for WCYC supporting kids and families that cannot afford to be on the water. It has been talked about for years and it has finally come to fruition. Fleet Captain John Kossa and his team of fisherman have come up with a really fun day of fishing. You should have already received an Evite by now. It is open to everyone, so invite your boat neighbors, family, and friends for a fun day on the water. It is going to be a one-day fishing tournament and there will be Cash Prizes for 1st, 2nd and 3rd place. 1st place will receive a grand prize of \$750.00 so don't miss out. There will also be a special prize for the first Pelagic Fish caught. We will also have side bets for individual anglers. One will be for the biggest Pelagic Fish caught along with the single most weight of a Pelagic Fish caught. The next day September 29th at 9:30 am breakfast will be served for all anglers participating in the tournament at the DWYC Patio here in Dana Point, which is included in your entry fee. If you would like to bring your family or friends to the trophy presentation, we are selling breakfast tickets for \$25 pp. We have a great raffle which will include a Fishing Rod, Electric Car Charge System, Gift Certificates from several businesses and much, much more. We are also selling a limited number of tickets for a separate raffle for "Dinner for 4 at the new Ocean 48 Restaurant in Newport Beach". Even if you are not in the Fishing Tournament and a WCYC member, you will be able to buy a raffle ticket for \$100.00 per ticket. We are only selling 20 of them in total so the odds are great. The value of the dinner is \$650.00 +. Mike and I have been to this restaurant and the food and service is outstanding. It is owned by the Mastro family so don't let the Ocean part of the name fool you. They have as many Steak choices as they do fresh Fish. First come first serve on the tickets and when we are out, we are out. All proceeds will go to the Charity. The drawing for the dinner will be at the Sunday breakfast, and you do not need to be present to win. Email me at dcgultevent@aol.com to buy your ticket.

Our first dinner planned by Rear Commodore Randall will be in November at the The Watering Hole at Nellie Gale Ranch. Always a great location to have an event, with WCYC reserving the entire restaurant. It will be a lot of fun with great food and music, so mark your calendar and get your dancing shoes ready.

If you are ever interested in running for the WCYC Board, please reach out to me or Vice-Commodore Rasulo. I have to say it was one of my best experiences. We truly have the best members, all with the same interest, **Boating!** I have loved every minute of it and can let you know what it entails to be on the Board if you are interested.

Hope to see you all on the water or on the docks. We have had such great weather I hope you are all enjoying it. Safe travels and don't forget to post your boat pictures and fun times on our [WCYC Facebook page!](#)

LETTER FROM VICE COMMODORE TOM RASULO

Hello WCYC Members!

What a great Avalon Cruise! It was so well attended. West Coast Yacht Club burgees seemed to be everywhere you turned your head. Experienced Cruise Captains, Groves and Fiorillos, nailed this one. With the harbor so full, it was a real wonder how we were able to get as many boats in beautiful Avalon harbor as we did. Donna especially, knows how to pull a few strings and call in a few favors. Nice going!

The weekend had more stories than usual. We had an abundance of Sawhorse Awards given (including one for you Vice Commodore) which is always fun. I love it when people try to defend themselves! Ha, as if they had a chance.

Another high point was the Bottle Boat Race. I labored 30 minutes on mine and took 2nd Place behind marine architect Steve Fiorillo, who admitted to working on his entry with Mike Groves for two weeks! Glenn Rogers took third. A few empty water bottles, a few zip ties, a piece of a trash bag and some duct tape and you'll be on your way next time. What a kick!

The food was hot as was the temperature and plenty of us were side-tied for time with friends, old and new.

Upcoming is our last cruise of the year to Long Beach October 4-6. Their long dock provides shore power and water and makes socializing so much easier. Cruise Captains Hepner/ Champlin have a few surprises in store for us. Don't miss this one, it's gonna be a while till we cruise together after that.

As always, keep looking for fellow boaters to join WCYC if you think they'd be a good fit. You are what keeps us growing.

Tom Rasulo
Vice Commodore

LETTER FROM REAR COMMODORE BRIAN RANDALL

Greetings Everyone!

Marji and I managed to head up to the Lake Arrowhead Yacht Club over the last weekend.

While we were there, we were able to do a burgee exchange with the club. They were wonderful hosts and the service was fantastic. Lots of folks stopped by and chatted with us.

The club has a long history and like us they were founded in 1932. The club is open for the summer only and they store their sailing fleet in the building for the winter months. Racing is a major activity at the club and weekends are filled with race events for both juniors and adults.

The interior of the club is amazing with lots of history surrounding you. A great place to visit!

With regards to the dinner event schedule... a reminder that November 9th is our Commodore's Dinner at the Watering Hole at the Nellie Gail Ranch. Mark the date down on your calendar! More information to come!

LETTER FROM MEMBERSHIP SHERI MEEHLIES

Happy September!

Wow....has this summer gone by fast...but West Coast Yacht Club members sure have had some really fun cruises and made some super memories!

There's still lots of fun to be had on the final two events on our cruising calendar! I know the Fishing Tournament will be quite a contest and can't wait to see the final results and the Long Beach Cruise will be the amazing grand finale of our cruising year.

John and Jean Silverwood, two of our prospective members and dear friends of mine, attended the WCYC Avalon cruise and report they thoroughly enjoyed meeting so many new cruising friends! They are a very special couple who have logged thousands of cruising miles around the world and have captured the events of their harrowing shipwreck in French Polynesia in their book titled "Black Wave". I hope you all will have a chance to meet them at our either our Commodore Dinner or our Holiday "Change of Watch" Luncheon later this year.

You all have done an awesome job this year courting new members and I'm happy to report we have three new prospective members couples but, of course, we're always looking for more!

Cheers!!!

LETTER FROM THE EDITOR STEVE FIORILLO

Hello All:

I'm always looking for content for the Binnacle, so anything you'd like to share with the membership that's boating related please send it my way.

If you're not aware, we also have a Facebook group that's been active for several years, <https://www.facebook.com/groups/448832008534519>. This is a private group for members only, so if go to this page and request membership I'll add you in ASAP. Or you can send me your Facebook account and I'll do it that way.

This group, as with the Binnacle, can be used to share your photos, trip journals, etc, but also any suggestions for contractors (upholsterers, boat cleaners, mechanics, etc), as we're all looking for "that guy".

Any contribution to the membership that is more real-time should be posted to our FB group so we all see in a timely manner.

Please let me know if there's any questions or concerns.

Regards,
Steve Fiorillo

August's Avalon Cruise

Cruise Captains: The Groves & The Fiorillos
Cruise Report by Donna Groves

What a great Cruise! We had a record 15 boats with a total of 41 members and guests that came over to party in Avalon for the weekend. Most people came in on Wednesday and Thursday, which helped. It was so busy and almost everyone in the harbor had to side-tie but in the end it all worked out.

Wednesday the side-ties began, and it did not stop. By Thursday, Vice-Commodore Rasulo ended up getting everyone side-tied with the exception of 1 boat who went to Hamilton. By Friday we had 2 more boats end up in Descanso, but Saturday they got moved into the harbor. WCYC Members really stepped up and side-tied with boaters they have never met before. New friends were made. It was such a great feeling to know our members are that great and so welcoming.

Of course all new arrivals were met with welcome Jello shots!

Special Thanks to our Co-Captain's the Fiorillo's, they always step up and do such a great job.

August's Avalon Cruise

Friday night, we started our party and the Olympic Games at the FLX Beer Garden on the Island. What a great place. Members and guests nibbled on large pretzels and pickled eggs as everyone enjoyed reuniting with each other while competing in Beer Pong and Cornhole....

August's Avalon Cruise

Saturday was a fun day on the water. Boaters came behind the Captain's Boats and ate Hot Dogs, Polish Sausage, floated on rafts and paddle boards, did Jello Shots, drank Margarita's and just relaxed with fellow members. It was a beautiful day for it, and the Sun was out and shining down on us all.

A huge thank you to Staff Commodore Dave Monk and Monique for all the support and letting everyone dinghy up to Fluke which was side tied to the Captain's boats. You guys are the ROCK!

August's Avalon Cruise

August's Avalon Cruise

Tammy and Rod along with their family came in style and won for the most creative Olympic decorations. Their dinghy and crew were decked out in red, white, and blue.

We had 3 members that did the Olympic Bottle Boat Race... Steve Fiorillo, Glenn Rogers, and our Vice Commodore Tom Rasulo.

Boy was that fun, and we should definitely do that again in the future.

The boats traveled by us, well sort of, maybe a right turn before the end but started again and went by the side of us. But it didn't

matter, all you could do was laugh and cheer them on. They were very creative, and I believe someone (not mentioning any names) used a doggy poop bag for the sail. How crazy is that? It truly was fun to watch and a great day.

August's Avalon Cruise

We even had the surrounding boats cheering them on, as well as having to save one of the boats. I may have even gotten a member from Long Beach out of it. They said we were such a fun group they wanted to join!

Race Results:

Gold Medal: Steve Fiorillo

Silver Medal: Vice Commodore Rasulo

Bronze Medal: Glenn Rogers

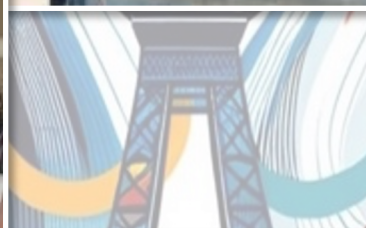

Overall, it was a great cruise with fun people enjoying what we do best.... BOATING!

2024 USCG Auxiliary Vessel Safety Checks Flotilla 06-08 – Dana Point

The following are the current 2024 guidelines allowing the CG AUX to conduct VSCs while conforming with the current social distancing restrictions. However, as with all COVID restrictions they are subject to change.

The new VSC guidelines include:

- As much as possible the exam should take place in the open air, however per the owner's permission, the examiner can now board the vessel to examine those items that cannot be brought topside
- One examiner per vessel
- Upon request, the examiner can wear PPE

The CG AUX also have several resources where you can conduct a virtual VSC and prepare your vessel for the safety check.....
