

Tuned Into York

The Appell Center for the Performing Arts announces a new, free community concert in York City's Kiwanis Lake Park. "Tuned Into York" will include multiple musical performances, family activities, food trucks, games and more.

Appell Center President & CEO Todd Fogdall says: "Tuned Into York' is about stepping beyond the walls of the Strand and Capitol Theatres, and bringing what we do out into York. The performing arts bring people together and we invite the community to join us on August 14, 2021."

Making the event possible are sponsors M&T Bank, The Powder Mill Foundation as well as a Downtown Inc. Welcoming Community Grant.
