

**Resort Village of Cochin  
Annual General Meeting  
10:00 am, Saturday, September 4, 2021**

**Rules of Order**

1. Courtesy and respect shall be the overriding rule of the day.
2. Those in attendance are asked to hold their questions and not make their comments until all of the agenda items have been addressed by members of Council.
3. As this is an AGM of ratepayers and residents [seasonal or year-round], Council will not entertain questions or comments or suggestions unless the speaker meets at least one of these criteria: ratepayer and/or resident.
4. Once all agenda items have been addressed by Council, ratepayers and residents will be invited to proceed to the microphone in the centre aisle of the hall. No questions or comments or suggestions will be entertained by Council other than those presented by a speaker utilizing the public microphone.
5. In order to be recognized, a speaker will clearly state their name and the address of their Cochin accommodation.
6. Once recognized by the mayor, the speaker “has the floor” but their time at the microphone will be limited to two minutes unless questions by members of Council require more time.
7. No speaker shall be permitted to pose a second question or express a second comment or suggestion until all residents and ratepayers in attendance have had the opportunity to ask a question or pass on a comment or suggestion.
8. No speaker shall be permitted to pose a third question or express a third comment or suggestion until all residents and ratepayers in attendance have had the opportunity to ask a second question or pass on a second comment or suggestion.
9. And so on and so on ....
10. The meeting is scheduled so that we may all get home in time for dinner (referred to as lunch in many households) but this is not cast in stone and if there is sufficient interest, the meeting may run past 12:00 pm.
