CURRENT EMPLOYMENT

MW REA, CPA, LLC

Certified Public Accountant | Owner

Dec 2023 – Present

I established a Sole Member CPA firm in Decatur, Alabama with the goal of providing excellent service, intelligent insights and affordable pricing. It is primarily focused on tax preparation, planning, and resolution, as well as full cycle accounting services such as bookkeeping, payroll and quarterly reporting. I also provide business consulting services. The firm currently serves Individuals, small businesses, estates and trusts, and non-profit organizations.

The firm does not currently offer audit and attestation services, but it is my goal to begin providing these services as soon as summer 2025.

Ravyn Technology Corporation

Corporate Controller

Aug 2023 – Present

I serve on a part-time basis as the Corporate Controller for Ravyn Technology Corporation. I am responsible for maintaining the corporation's books and payroll, filing annual income tax returns, and producing prepared financial statements annually for shareholders. I also maintain HR functions including specialized onboarding tasks to ensure proper documentation is obtained and verified per government requirements for defense contractors. I am responsible for registrations that the company holds related to government contracting. These include the company's System for Award Management (SAM) registration, Small Business Administration (SBA), Directorate of Defense Trade Controls (DDTC) registration, DD-2345 Joint Certification Program JCP with the DLA, and membership dues for OTA Consortia including the National Armaments Consortium (NAC).
