

OUR VOICES, OUR CHOICES

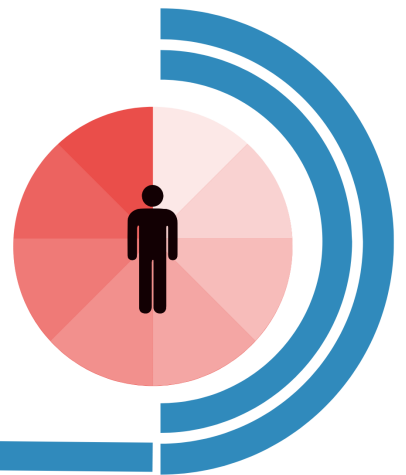

Listen to the voices of those living with HIV and AIDS

**DID YOU
KNOW?**

Southern states today account for an estimated **51%** of new HIV cases annually.

In 2020, we surveyed **people aging with HIV** nationwide about their experiences and some living with HIV don't think they have the **resources needed to age with dignity.**

BE PART OF
SOMETHING
More

We have to **listen** to the needs and wants of people living with HIV.

Let's create a more **inclusive** and **empowering** community for everyone.

Join our journey in centering the **voices** of those aging with HIV, telling their own stories.
