## Forest fires

### **COMPLETE LIFT ON THE BAN ON OPEN FIRES IN OR IN THE VICINITY OF A FOREST**

**Québec, June 27, 2024** – The ministère des Ressources naturelles et des Forêts has decided to lift the ban on open fires in or in the vicinity of a forest. This decision, taken in collaboration with the Société de protection des forêts contre le feu (SOPFEU), therefore results in the complete lift of the ban **starting on June 27, at noon**. This measure was in effect since June 20.

#### **Provincial summary**

There are currently 6 fires in activity, but firefighting operations are progressing rapidly, with all fires under control. Since the start of the protection season, 197 fires have affected 16 042 hectares of forest.
