Ministère des Transports

CANADIAN NAVIGABLE WATERS ACT

REPAIR OF THE BRIDGE ON ROUTE 301, OVER RIVIÈRE DES OUTAOUAIS, IN PORTAGE-DU-FORT

The ministère des Transports du Québec (MTQ) hereby gives notice that an application has been made to the Minister of Transport pursuant to the *Canadian Navigable Waters Act* for approval of the work described herein and its site and related plans.

Pursuant to paragraph 7(2) of the said Act, the MTQ has deposited with the Minister of Transport, on the online Navigable Waters Registry (<http://cps.canada.ca/>), under registry number 2104 or NPP file number 2020-302220, a description of the following work, its site and related plans:

Installation of temporary platforms for the repair of bridge No. P-06003 located on route 301, over rivière des Outaouais, in Portage-du-Fort, at the limits of the provinces of Ontario and Québec.

Comments regarding the effect of this work on marine navigation can be sent through the Common Project Search site mentioned above, in the Comments section (search using the above-mentioned number), or directly to your regional office (Navigation Protection Program, Transport Canada, 401-1550, avenue D'Estimauville, Québec (Québec) G1J 0C8, phone number: 1 877 646-6420) if you do not have access to the Internet.

Please note that comments will be considered only if they are in writing (preferably online) and are received not later than 30 days after the publication of this notice. Although all comments conforming to the above will be considered, no individual response will be sent.

Signed in Gatineau, this 20th day of August, 2020.

FRANÇOIS ASSELIN FOR THE MINISTÈRE DES TRANSPORTS DU QUÉBEC
DIRECTION GÉNÉRALE DE L'OUTAOUAIS
