

Petitions for January 11

1. For wisdom in the Church. May we find ways to follow God's Spirit and open wide the doors of our faith to those who are lost, searching, or angry;

We Pray to the Lord.

2. Jesus was baptized for all of us, and in His baptism, He shows us that the way to salvation is through our own baptism. He was baptized to show us the path to eternal life;

We Pray to the Lord.

3. May we embrace the truth that all people are God's children;

We Pray to the Lord.

4. May this be a year of grace and growth for us all at St Patrick's. May our faith deepen and shape our experience;

We Pray to the Lord.

5. Sustain all who are in need — the sick and dying; those experiencing grief, depression and addiction. And for all who need our prayer;

We Pray to the Lord.

6. For those whose are blessed and rejoicing in Heaven with God, may they feel his unending love as we pray today for the souls of Art and Delores Augedahl, for whom this Mass is offered.

We Pray to the Lord.
