PASTOR'S MESSAGE

People of God,

Again, happy Easter! Just like Christmas, Easter is not just a day, but a season. In fact the season of Easter is significantly longer than the season of Christmas. In fact it is longer than Advent and Lent. The season of Easter lasts until Pentecost, which this year, is Sunday, May 19. So continue to celebrate. Eat those chocolate bunnies. Better yet, spend some extra time in prayer thanking God for the gifts of our freedom from our sins and eternal life. So continue to celebrate Jesus' rising from the dead.

Have a blessed week,

Father Vogel

SAINT OF THE WEEK: St. Vincent Ferrer

St Vincent was a Spanish man who was known for his preaching. Everywhere people flocked to hear him. Many were converted the Faith. He was deeply concerned about the divisions in the Church at that time. He did much to heal those divisions that were caused by three different bishops claiming to be the Pope. Church council sought his advice. Because of his preaching and his healing of the Church, as well as his personal sanctity, he was canonized a saint in 1455 only 36 years after his death. May we all strive to live as one in Christ, and never cause divisions.
