#### **PASTOR'S MESSAGE**

Today's Gospel is the same one that is on Thanksgiving Day. It is the story of ten people who have leprosy and only one returns to Jesus giving thanks realizing that they have been healed. It was on his "way" that he came to realize the blessing that he had received. May we take time, today, to quiet ourselves in order to realized the many blessings that we have received.

A final thought - **PUSH** - Pray Until Something Happens.

God Bless

Fr. Evans
