

Dear Club Committee

We'd like to thank you in advance and kindly ask for your help in sharing the following update from Nutrien Ag Solutions with your club members. You can do this through email, your club newsletter, website, social media, or by printing and displaying it in your clubrooms - or ideally, all of the above.

Nutrien Ag Solutions is proud to be a long-standing supporter of Country Football in Western Australia. In 2025, we mark our 51st consecutive year of sponsorship - a partnership with Country Football WA (CFWA) that has truly stood the test of time.

To put this into perspective, the country Football Championships have been running for 57 years - and we've proudly supported 51 of those. That's a legacy we're honoured to be part of.

Over the years, we haven't asked for much in return for our continued commitment. Nutrien contributes \$110,000 annually to CFWA, and we're proud that this support flows down to benefit clubs like yours. Beyond this, many of our employees and agents live and work in your communities — often also as local sponsors and volunteers.

Across WA, our wider Nutrien network contributes an estimated \$200,000 annually in additional support to regional communities — through financial sponsorships, in-kind donations (such as product for local club crops), agronomy support, and more.

This year, we're asking one small thing in return. Please encourage your club members to support their local Nutrien Ag Solutions store. Whether they're farmers or town residents, we have a wide range of products and services to offer. By shopping with us, your members are helping Nutrien to continue its long-term support of Country Football in WA.

Thank you once again for being part of the great tradition of WA Country Football. We look forward to continuing this journey together.

Warm regards,

Nutrien Ag Solutions – Proud Partner of WA Country Football
