*DEDICATED TO EXCELLENCE*

## CORE CAPABILITIES

Interior & Exterior Signage Solutions • Custom Fabrication & Installation • ADA-Compliant Signage & Wayfinding • Evacuation Plans & Life Safety Signage • Government & Commercial Project Expertise • Signage Compliance & Permits

## DIFFERENTIATORS

Sole proprietor, woman-owned signage provider with decades of hands-on industry experience. Known for delivering code-compliant signage solutions with precision, reliability, and clear communication. Current and ongoing contracts with County of Orange agencies. Proven ability to manage projects from concept through fabrication, permitting, and installation, coordinating with government agencies, contractors, and facilities teams. A commitment to craftsmanship, attention to detail, and responsive service ensures projects are completed accurately, efficiently, and in full compliance with applicable standards.

## PAST PERFORMANCE

Successfully delivered interior and exterior signage solutions for the County of Orange, supporting multiple departments including the District Attorney's Office, Probation Department, and Orange County Health Care Agency.

Scope of work includes identification signage, nameplates, regulatory and wayfinding signage, directories, evacuation plans, and large-scale exterior logo channel letter signage mounted on building facades in accordance with County standards and site requirements.
