Thursday, May 21, 2026

6:00 PM - 6:30 PM: Mix & Mingle

6:30 PM - 8:00 PM: Programming

Join us every 3rd Thursday to tell your stories, immerse yourself in the words of others, play storytelling games, gain confidence, and build community. This is a space for Dorchester's LGBTQIA+ community and our allies to come together and cheer each other on!

No storytelling or public speaking experience needed to join; nor is anyone under any obligation to speak. Any human, regardless of age, background, or belief, is welcome here. We embrace diversity and encourage open-mindedness, understanding, and respect for all.
