

# KATSNKLAMMS INQUIRY FORM

Thank you for your interest in my cats. I try very hard to ensure that I match prospective buyers with the right cat/kitten. To do this, I would appreciate it if you would complete this form and return it to me at [katsnklamms@gmail.com](mailto:katsnklamms@gmail.com).

Due to some recent problems, I am now asking for two references related to the home environment for a cat/kitten, plus a veterinarian reference. If you do not currently have a pet but know the name and phone number of the veterinarian you plan to use, please provide this in the veterinarian reference portion. I greatly appreciate your understanding and cooperation on this issue. Please include all information requested in the references. Thank you.

My kittens are raised in a loving home environment and are well-socialized. They are generally able to leave home by 14-16 weeks old. They are microchipped, receive all required immunizations prior to leaving my home and I provide a copy of their shots record. All cats/kittens are veterinary checked prior to joining their new families.
