- You will receive employment placement assistance upon completion

Future Seekers

YouthBuild

Going Beyond the Classroom

Mission Statement

To assist youth and young adults who have gone through struggles get their GED's and learn a trade in construction, making a positive change in their lives.

Earn while you learn...

Participants in Future Seekers YouthBuild program are paid for their time. In addition, they receive free training, GED prep, computer courses, and more to prepare them for after they graduate from the program.

*Success is a state of mind.
If you want success,
start thinking of yourself
as a success.*

- Joyce Brothers

Upon graduation, participants receive employment placement assistance. Our goal is to give each participant the tools they need to succeed in the construction industry upon completion of the program.

Helping Others

Through our Partnership with Habitat for Humanity, participants will not only gain valuable hands-on experience, but they will know that they helped someone else gain affordable housing.

Key Offerings

YouthBuild has five components:

1. Construction
2. Education
3. Counseling
4. Leadership
5. Graduate Opportunities

Partnerships

Future Seekers has partnered with Habitat for Humanity and Atlanta Technical College to assist YouthBuild participants with on the job skills in construction, leadership, and education.
