About The Park

HILLSBOROUGH RIVER STATE PARK,

Nestled along the serene Hillsborough River, Hillsborough River State Park stands as a testament to Florida's natural splendor. Spanning over 3,000 acres of breathtaking landscapes, this park offers a captivating blend of pristine forests, winding trails, and glistening springs. Towering oak trees adorned with delicate Spanish moss create a romantic ambiance, while the melodies of native wildlife echo through the air, setting the stage for an unforgettable wedding celebration.

For couples seeking an enchanting outdoor venue, Hillsborough River State Park presents an array of idyllic settings to exchange vows and celebrate love. From intimate ceremonies beneath ancient oak canopies to grand receptions overlooking the tranquil river, every corner of the park exudes timeless charm and natural beauty. Amidst vibrant blooms in the botanical gardens or amidst the lush greenery of the woodland trails, couples are invited to craft their dream wedding against a backdrop of unparalleled scenic splendor.

Hillsborough River State Park offers more than just picturesque settings it provides couples with dedicated event staff committed to turning their vision into reality. With personalized assistance in venue selection, catering arrangements, and vendor coordination, couples can rest assured that every detail of their special day will be meticulously planned and executed. From the first consultation to the final farewell, Hillsborough River State Park promises an enchanting wedding experience that exceeds expectations and creates cherished memories to last a lifetime.

Can host up to 200 guests
