

Lebanon County NAACP Branch 26AA-B 2024 Lebanon County NAACP Diversity Scholarship Award

The NAACP or National Association for the Advancement of Colored People was established in 1909 and is America's oldest and largest civil rights organization. It was formed in New York City by Black and White activists, partially in response to the ongoing violence against Black Americans around the country. In the NAACP's early decades, its anti-lynching campaign was central to its agenda. During the civil rights era in the 1950s and 1960s, the group won major legal victories, and today the NAACP has more than 2,200 branches and some half a million members worldwide.

Established in fall 2020, the Lebanon County Branch 26AA-B gained official branch status in February 2021. **We are proud to sponsor our second annual \$1,000 one time/non renewable Diversity Scholarship to assist with books and incidental expenses offered to a deserving graduating Lebanon County senior of color (of African, Asian, Hispanic and/or Latino, Native American or mixed heritage) planning to enroll in college or a trade or vocational school in 2024, full-time or part-time (including culinary school, health care, auto repair, welding, animal care, technology, etc.). Preference will be given to a student of color pursuing a degree in education.** The awarding of the scholarship will be based on Teacher or Community Member Recommendation and a 400 word essay (Essay scored based on content, not writing skill).
