Kevin Regan was an amazing husband, father, son, brother and friend. He was passionate at serving his community as a Philadelphia Police Officer. Kevin's sudden and unexpected passing left his family with many unanswered questions. After some research and talking with his doctors we learned that Kevin struggled with post traumatic stress disorder a mental health battle in which a person has difficulty recovering after experiencing or witnessing a terrifying event. As a police officer, Kevin witnessed more trauma in one day than the average person witnesses in an entire lifetime but the depth of Kevin's inner struggle was hidden until his death. While we cannot reverse this tragedy, it is not too late to offer hope, help and resources so these brave men and women can be properly diagnosed, treated and guided through a successful recovery.

The Kevin Regan Family Foundation (KRFF) is a 501(c)(3) non-profit organization committed to helping families of fallen first responders in the tristate area, specifically those who have taken their own lives or who struggle with mental illness. We provide not only financial relief, but also the mental health resources needed to support struggling frontline fighters and their loved ones. Our foundation is dedicated to treatment and suicide prevention by improving mental health awareness and education throughout the first responder community.

The second annual Kevin's Fairway To Heaven Golf Tournament will be held Monday, July 15, 2024 at TPC Jasna Polana Golf Club in Princeton, New Jersey. With a goal set to fundraise \$50,000.00 we need your help!
