

THE FIRST STATE ANTIQUE TRACTOR CLUB AGRICULTURE
SCHOLARSHIP AWARD APPLICATION

The purpose of The First State Antique Tractor Club is to preserve and display Antique Tractors and Farm Equipment and to provide the public with an opportunity to experience the historical growth of agricultural technology. This is accomplished by holding an annual show and participating in the Delaware State Fair and 12 other annual events.

The First State Antique Tractor Club offers yearly scholarships to graduating seniors, from all three counties of Delaware and three Maryland counties, Talbot, Queen Anne, and Caroline, for the purpose of continuing education in the field of agriculture.

The scholarship will be awarded to a fulltime student, accepted in an agriculture program at a two or four year university or college. All applications must be received by April 15, of the current year. All applicants must show financial need and academic merit. The amount of the award/awards will be determined by the Scholarship Committee, of The First State Tractor Club. Four (4) \$1000.00 scholarships will be awarded this year.

The scholarships are paid directly to the school or college, as directed by the recipient. The award must be paid to a school or college by October 31, of the current year, or it will be awarded to another student. A change in the college after the scholarships have been awarded will result in a review by the selection committee. The scholarships will be awarded at The First State Antique Tractor Club's annual show, mid-June.
